

Internal Quality Assurance Cell (IQAC)

REPORT

Sensitization Programme on Role of IQAC in Quality Improvement

Date: 16-06-2022

Participants: Supporting Staff

The programme started with invocation, Prof.S. Gopinath, Coordinator of IQAC welcomed the gathering. Prof.S. Ganesh Vaidyanathan, Principal delivered presidential address. Principal explained the role of IQAC in continuously improving the quality of the processes in the college.

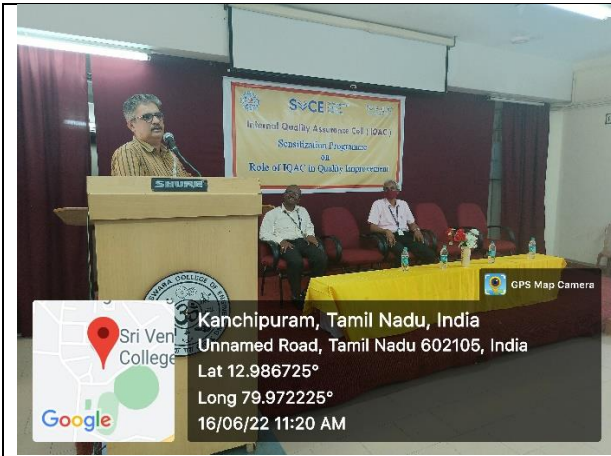

He also insisted that conscious efforts of the supporting staff are necessary in improving the teaching learning process particularly in the laboratories and workshops. Supporting staff have interacted with him and given their suggestions. Principal has appreciated their suggestions and said that their suggestions were well taken and they will be implemented appropriately.

Prof.S. Gopinath addressed the gathering and explained the composition and various functions of IQAC in the college. He also explained the concept of 5S and its implementation in the workshop / laboratories in the college.

At the end of his lecture, he asked questions to the audience to know their understanding of IQAC & 5S and presented a memento to them. Dr.M. Anandan, IQAC coordinator of Marine Engineering department delivered Vote of Thanks.

Suggestions given by supporting staff:

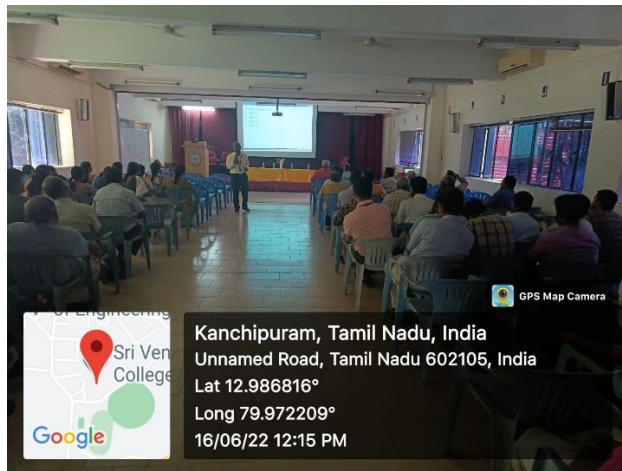

1. Frequent visit to industries for supporting staff
2. Feedback from supporting staff for improvements
