## **1. ESTABLISHMENT OF EDC AT SVCE:**

The National Science & Technology Entrepreneurship Development Board (NSTEDB), Department of Science & Technology, Govt. of India initiated a scheme to establish Entrepreneurship Development Cell (EDC) in academic institutions to develop institutional mechanism for the purpose of inculcating the entrepreneurial culture and fostering techno-entrepreneurship among Science & Technology persons.

Sri Venkateswara College of Engineering (SVCE) has also committed to impart quality education in engineering & technology and preparing the engineering students to meet the growing challenges of the industry by nurturing entrepreneurship. In order to meet the challenges of industry & social need of our nation, SVCE has been motivating the students' community towards entrepreneurship by conducting awareness programmes since 1996.

On that basis, a full-fledged EDC was established in Sri Venkateswara College of Engineering (SVCE) in February 2003 under the aegis of NSTEDB, DST, Govt. of India. The cell successfully completed five years of maximum sponsored period in Feb, 2008, by providing entrepreneurial services to the students' community in particular to the Science & Technology persons from SVCE as well to the nearby institutions in the region.

In February 2008, the EDC was retained by the college management in order to cater the entrepreneurial services to the students' community with the support of various funding agencies on programmed basis.

The All India Council for Technical Education (AICTE), New Delhi sanctioned an amount of Rs.6,30,000.00 (Rupees Six Lakhs Thirty Thousands) for establishing EDC in our college campus in May, 2011. Then, the EDC was supported by the All India Council for Technical Education (AICTE), New Delhi from May, 2011 to Mar, 2014 with the financial support for meeting the recurring & non-recurring expenditures.

In Feb 2015, the cell is completing Twelve years of entrepreneurial services to the students' community.

### **3. BRIEF REPORT OF PROGRAMS / EVENTS FROM OCT 2003 TO MAR 2015:**

#### **3.1 ENTREPRENEURSHIP AWARENESS CAMP (EAC):**

The main objective of this programme to create awareness among Science & Technology students about the various facets of entrepreneurship as an alternative career also, to highlight the merits of pursuing such an option. On that basis, EDC-SVCE organised 21 **Entrepreneurship Awareness Camps (EAC)** for the benefit of the engineering students from SVCE as well as nearby institutions.

AY 2002-2003	1 EAC
AY 2003-2004	3 EAC
AY 2004-2005	2 EAC
AY 2005-2006	3 EAC
AY 2006-2007	3 EAC
AY 2007-2008	1 EAC
AY 2008-2009	2 EAC
AY 2009-2010	2 EAC
AY 2010-2011	2 EAC
AY 2011-2012	1 EAC
AY 2012-2013	1 EAC
AY 2013-2014	1 EAC

The total participants exposed to these EACs are 1268.

#### **3.2 FACULTY DEVELOPMENT PROGRAMME (FDP):**

FDP aims at equipping the teachers with skills and knowledge that is essential for inculcating the entrepreneurial values in students and guiding towards entrepreneurial career. In such a way that this programme is designed to train and develop the faculties from various engineering colleges in entrepreneurship development so that they can act as resource persons in guiding and motivating the young S & T persons to take up entrepreneurship as a career. This programme was organized **TWO** times in SVCE for a period of two weeks, between 14.06.2006 to 24.06.2006 & 02.12.2013 to 14.12.2013 with funding support received from NSTEDB Division. 44 participants are exposed to this FDP.

#### **3.3 SKILL DEVELOPMENT PROGRAMME (SDP):**

This programme primarily designed for the benefit of the unemployed youth to upgrade their technical skill in a specific field. Conducting appropriate training using the expertise available in college can fulfill this objective. On that basis, EDC-SVCE, organised a training

programme, called SDP on Document Preparation using LaTeX, with the expertise available in the Department of Computer Application, SVCE between 13<sup>th</sup> and 17<sup>th</sup> Oct, 2003. This programme equips the participants in preparing the science and mathematical journals/texts with the help of the LaTeX software package. 7 participants are exposed to this SDP.

### **3.4 TECHNOLOGY BASED ENTREPRENEURSHIP DEVELOPMENT PROGRAMME (TEDP):**

The main objective of this programme is to upgrade the technical skill of the Science & Technology persons. On that basis, this programme is designed to impart technical skill which will enable the participants to engage in self-employment. EDC-SVCE

1. TEDP on Plastic Technology was organized between 14-03-2005 and 24-03-2005 in association with CIPET, Chennai.
2. TEDP on Computer Hardware Maintenance was organized in association with Dept. of CSE, EE, EC & CA in SVCE between 03.11.2008 to 12.12.2008.
3. TEDP on Repair & Maintenance of Automotive Vehicles (2 & 3 Wheelers) was organized **two** times in association with Dept. of Automobile Engineering, SVCE between 24-11-2009 and 06-01-2010 & 29.03.2011 and 12.05.2011.
4. TEDP on Welding Practices was organized **three** times in association with Dept. of Mechanical & Marine Engineering between 10-03-2010 & 26-04-2010, 29.03.2011 & 12.05.2011 and 20.02.2014 & 02.04.2014

172 participants are exposed to these Six TEDPs.

### **3.5 BUSINESS SKILL DEVELOPMENT PROGRAMME (BSDP):**

The main objective of this programme is to motivate and the guide young engineering and management graduates towards entrepreneurship. During this 22-day Business Skill Development Programme the necessary information will be provided to the participants to start business. It was organized **two** times with the financial support of MSME Development

Institute, Ministry of Micro, Small & Medium Enterprises, Govt. of India between 06-02-2008 and 01-03-2008 & 12.12.2008 and 12.01.2009.

53 participants are exposed to these Two BSDPs.

### **3.6 ENTREPRENEURSHIP & SKILL DEVELOPMENT PROGRAMME (ESDP):**

The main objective of this programme is to impart entrepreneurship culture among the unemployed youth in this region and to enhance their skill on a specific technique. This will enable them to cater the need of public as well industries requirement in this region. The specific areas in which our college is well versed by means of having adequate experts and resources to impart training. This training programme was framed for the duration of Two weeks through which the participants can have more practical knowledge in such a way it was scheduled Theory 25% and Practice 75%. Special attention was given to focus on meeting the domestic needs in the following areas:

- a. Electrical Servicing of home appliances
- b. Electronic Servicing of home appliances
- c. Desktop Computer servicing
- d. Welding Practices
- e. Repair & Maintenance of Automotive Vehicles (2 & 3wheelers)
- f. Plumbing Works
- g. Servicing of Air-conditioners (Window & Split)

These six programmes were organised between 20.11.2013 to 10.12.2013. In total around 150 participants attended this programme.

### **3.7 MY IDEA PROGRAMME (MIP):**

The My Idea Programme, Stage-1 of student competition at intra-college level, was organised in our college campus with the financial support of PSG-STEP & VILGRO, IITM, Chennai. The main objective of this programme is to encourage the budding engineers to bring out their innovative idea/concept, which will be highly useful for society.

This programme was organised three times in our college campus for the benefit of our students. The details are as follows:

1. My Idea Programme -1 was organized on 29.01.2010 with 32 Teams.
2. My Idea Programme -2 was organized on 16.02.2011 with 19 Teams.
3. My Idea Programme -3 was organized on 28.12.2011 with 13 Teams.

First prize winner of My Idea Programme-1 from III Year BE, Mechanical Engineering, Mr.R.Arjun, Mr.Dinesh Kumar & Mr.Abhishek Srinivas participated in Villgro Young Innovators Programme, stage-2 student competition, held at IITM on 19<sup>th</sup> and 20<sup>th</sup> March, 2010 and demonstrated their ideas with prototype. Their idea titled, “Continuously variable transmission system for Farm equipment and Pumps” won the first prize at IITM, Chennai.

The National Collegiate Inventors and Innovators Alliance (NCIIA) invited these winners to participate in the Open Minds exhibition, scheduled on March 24 to March 27, 2011 in Washington D.C. to display their prototype. The winners participated at Washington D.C. exhibition and their expenses for this trip was sponsored by both SVCE and Villgro.

64teams participated and presented their ideas in these Three MIPs.

### **3.8 GUEST / MOTIVATION LECTURES:**

1. Guest lecture for Mechanical Engineering students was delivered by Mr.S.Karthikeyan, Manager, Engine Product Development, Ashok Leyland – Technical Centre on 27.02.2012.
2. Motivational Lecture on Entrepreneurship was delivered by Mr.Eldhose Petre & Mr.Arunkumar Shanmugavel, M/s Ticketgoose.com on 11.02.2013.
3. A Guest Lecture on “An Entrepreneurship – A Journey” was delivered by Mr.A.Arun, CEO of M/s.Ticketgoose.com on 04.03.2013.
4. Mr.Prasath Ganiraj, Founder of M/s Ganis Counsel visited our campus, interacted with our students and motivated them. This guest lecture was organized on 10.07.2013 for second Year B.E. (ECE) students only.

5. Mr.Sundar Ragunathan, Director, M/s Wood Ward Grand, Chennai delivered a guest lecture in the context of entrepreneurship on the topic of “High Performance Entrepreneurship” on 07.08.2013(Wed).
6. Mr.Naru Narayanan delivered a guest lecture for motivating the students towards entrepreneurship and created awareness on entrepreneurship on 03.09.2013(Tue).

318 students are participated in these Six guest lectures.

### **3.9 STUDENT ENTREPRENEURS:**

A team of students joined together to establish a milk parlor in the college campus with the support of Tamilnadu Co-operative Milk Producers’ Federation Ltd (AAVIN) and Entrepreneurship Development Institute (EDI), Govt. of Tamilnadu. This initiative will help the students to gain exposure and experience in entrepreneurial activities. SVCE has played a major role in establishing this project by means of providing space with subsidized rent, EB power and other moral support.

The Inaugural function of Aavin Parlour was held at our College on 15.04.2013 in a very grand manner. The function was started in the morning at 09.00 AM. The chief guests of this inaugural function are Mr P Tamil Selvan, Deputy General Manager (Marketing), The Tamilnadu Milk Producers’ Federation Ltd., (AAVIN), Mr.Sriram, Electrical Engineer, The Tamilnadu Milk Producers’ Federation Ltd., (AAVIN), DR.P.Sai Prasad, Deputy Director, Entrepreneurship Development Institute (EDI), Govt. of Tamilnadu.
