# Preface

Sri Venkateswara College of Engineering - a unit of Sri Venkateswara Educational and Health Trust was inaugurated by then Governor of Tamil Nadu, Honorable Sri S L Khurana at Nazarethpet on 8th April 1985. On further development the college has been shifted to the present campus on 5th January 1992 and formal functioning was inaugurated by then president of India His Excellency Shri R Venkataraman. The Governing Council of the college is the Apex Body for the governance of the college which is chaired by well known industrialist and philanthropist Dr. A C Muthiah, Chairman SPIC Ltd. Under his guidance, the College has progressed phenomenally. In a last thirty two years, there has been an all round development in infrastructure, research and academic activities followed by co-curricular and extra curricular activities. National Service Scheme (NSS) is one among the extra curricular activity in the College. The NSS unit of SVCE has been conducting camps regularly in the nearby villages since its inception. Health awareness programmes, Medical Camps, awareness programmes on gender issues, clean & green Campaigns are some of the regular activities of the unit.

## Over view

The NSS activities for the year 2016-17 are started in July 2016. The unit activities are planned, to provide training on public health. In addition, the awareness programmes are also arranged on National level youth policies and activities. To the above purpose students of our college are taken to participate in various programmes of the Rajiv Gandhi National Institute of Youth Development, Sriperumbudur followed by rally for piece and social awareness among the youths of Sriperumbudur. To Motivate the social responsibility in public life, awareness on democratic rights, and rules of election are provided to our students through which self management practice by public oriented Government activity to the students are also conducted. As a regular event the annual special camp was organized in nearby village of Sriperumbudur for 2013-14, where student's participation was targeted on the theme of **Youth for public health awareness and wellness**. In the villages difficulty like, the drinking water, basic infra structure and public sanitation are the factors for the propagation of transmittable diseases. Therefore, there is a need for awareness on these issues among the public belongs to the village. Our NSS unit targeted the above theme and rendered services through village administration (Panchayat structure) and Public Health Department. Government of TN. In the camp the programmes are suitably arranged through 200 students from the unit to get benefits in terms of personality development. The camp has provided a practice to manage, planning themselves and coordination of events followed by improving interpersonal relationship to develop the tendency of helping the needy people and to understand the humanism as expected by Mahatma Gandhiji.

The participation to Lecture on “Youth and Social change” by Prof. J. S. Rajput, former Director – NCERT, New Delhi was arranged on 18th September 2016. In this lecture 43 volunteers of boys and girls are participated. The status of Indian education before Independence, the slaveries’ to caste, colour and creed are recalled. He has mentioned the three role models and the inspirations that they had are:

1. Mahatma Gandhiji in South Africa, 2. Rev. Dr. Martin Luther King Jr. and 3. Nelson Mandela who spent almost 80% of their life time in prison to educate society through his education and immeasurable energy of mind that they had. Thus, the speaker showed through his quoted examples that youth are the only component who can transform the good changes and progress in the society for the Nation’s growth and development. The speaker humbly requested the youngsters to examine when they move out of Universities, Institutes of higher learning and Professional learning centers to put forth all his/her professionalism and academic attainments in the service of people and country.
