REPORT ON QUIZZARD – National Level Programming Quiz - 19th JUNE 2020 to 22nd JUNE 2020

Date: 19/06/2020 to 22/06/2020

Time:

Objectives (Maximum 50 words):

To enhance and evaluate the programming skills of the students specific to C and Python Language.

About the programme (Min 500 words):

The Department of Information Technology organized "quizzard" - a four day national online programming quiz competition for school and college students across India from 19th June, 2020 to 22nd June, 2020. This competition was conducted to test the basics of C and Python programming. Ms. V. Deepika and Mr.V. Darshan of III year Information Technology volunteered to design the Google forms for the competition. It was decided to post 20 questions and the duration of the competition was 30 mins. It was also decided to enable the Google forms twice a day to enable the participants to take part in the competition at their convenient time.

The total number of registrations received was 1625. Around 1190 participants attended the competition. Among 1190 participants, 95 students were from different schools across India and abroad. Participants belonging to Tamilnadu, Gujarat, Andra Pradesh, Maharashtra, Kerala, Karnataka, Uttar Pradesh, Pondicherry, Uttarakhand, Jammu and Kashmir, Bangalore, AFAR(East Africa), Odissa, Bihar, Rajasthan, Jharkhand and New Jersey (US) attempted this quiz competition.

Participation certificates were distributed to all the participants. Certificate of excellence was provided to the top scorers who scored 80% and above. The number of participants who secured the top

scores was 60. Among them, 13 belonged to Sri Venkateswara College of Engineering.

Benefits (Maximum 50 words):

- 1] To promote a healthy competitive mindset among students.
- 2] To test the basics of C and Python.
