

SRI VENKATESWARA COLLEGE OF ENGINEERING

COMPUTER SOCIETY OF INDIA

SVCE STUDENT CHAPTER

Report

Valedictory & Inaugural Function

On 30th of September 2020, the Inauguration of Computer Society of India - SVCE Student Chapter 2020-2021 was held in the presence of our esteemed chief guest Mr. Saravanan Viswanathan, Vice President, Internal Systems and Technologies, Hexaware Technologies. The event began with the welcome address rendered by Ms. Keerthana Jaiganesh and the event was hosted by Mr. Rahul R.K., Chairman of CSI.

Mr. Shanmugam, Vice-Chairman of CSI gave an Introductory address about the Guest of Honor and talked about his experience, accomplishments, and transformation initiatives. Dr. V. Vidhya, the Student Chapter Counselor of CSI and the Head of Department of Information Technology, presented the Annual report of SVCE-CSI Student Chapter 2019-2020 and shared the importance of CSI by sharing the valuable outcomes of Computer Society of India.

Mr. Ranjith, Student Chapter Counselor of CSI delivered the valedictory address of 2019-2020 office-bearers and appreciated the efforts taken by them in conducting various events. Then, he introduced the newly elected office bearers of 2020-2021 to the CSI family and motivated them to accord their best to the forum.

Mr. Saravanan Viswanathan delivered an informative talk on “**Key Technical Trends in the Industry**”. He talked about emerging career trends and gave an insight into the competitive world that lies outside the college. The session lasted for about ninety minutes. The Guest of honor introduced the key strategies of the IT industry (Automation, Cloudify, and transformation of customer services) and gave a brief overview of the same. He also engaged the audience by throwing in a couple of questions to the students regarding these fields and made the session interactive.

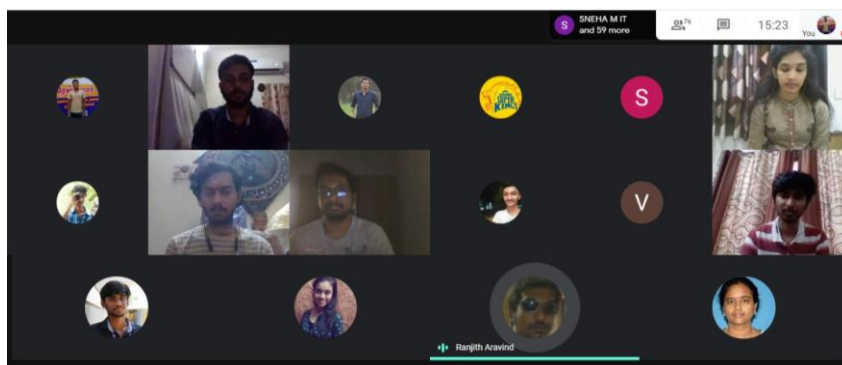

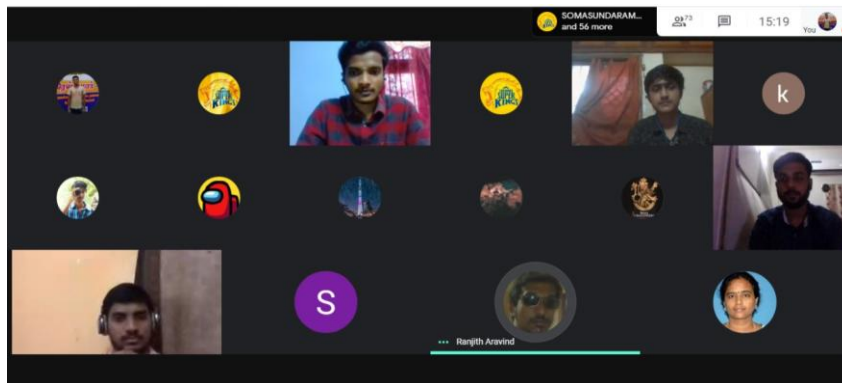

Then, Dr. V. Vidya awarded the Student Icon Award to Mr. Ramesh Elamaran, CSE student of the 2020 batch for his enormous contributions to CSI for three consecutive years. The program came to an end with Ms. Deepa, Executive Member of CSI delivering the vote of thanks.

Total No. of Participants:

Over 80 CSI Volunteers from CS/IT/ECE dept and Faculty Members.

The Outcome of the Program:

- Provide awareness to the students about current IT trends and challenges
- Enable students to gain wider exposure to the latest technologies that are available in the field of IT like IoT, Automation & Data Visualization, etc.
- Ideas on focussing towards domains like Cloud Computing and different services the cloud offers.

TRENDING TECHNOLOGIES & SOME REFERENCES OF HOW THEY WERE APPLIED
