Report on Webinar (SBF- BioAcademy, Bio Talks Series) on Cell biology methods for understanding heart failure

1st April, 2021

A Webinar (SBF- BioAcademy, Bio Talks Series) on “Cell biology methods for understanding heart failure” was organized by Department of Biotechnology, Sri Venkateswara College of Engineering, Sriperumbudur on 1st April, 2021 at 2:00 PM through Google meet. Dr. Sumitha V, Dr. Divakar K, Mr. Hariharan J organised/coordinated to conduct the webinar.

The session was started with a welcome address by Dr. V. Sumitha, Head, In Charge, Department of Biotechnology. Mr. Hriday, student of final Year B.Tech Biotechnology introduced the guest speaker Dr. Pugazendhi Murugan, Senior Engineer, Institute of Experimental Medical Research, University of Oslo, Norway. The guest speaker enlightened the audience with his informative talk on “Cell biology methods for understanding heart failure”.

Participants including students, faculty members from SVCE attended the event. It was followed by a question and answer/interaction session. The guest speaker, Dr. Pugazendhi Murugan addressed the questions raised by the participants and interacted with the participants. In this webinar 93 participants attended and got benefited.

The session ended with a vote of thanks delivered by Dr. K. Divakar, Associate Professor, Department of Biotechnology Department of Biotechnology, SVCE. Guest speaker, Dr. Pugazendhi Murugan thanked the organizers and the management of SVCE for organizing this event. Feedback forms were collected from the participants. The program was very well received by the participants and it was well appreciated. E-certificates were distributed to the participants.

For organizing team

Dr. K. Divakar, ASP/BIO
