Submitted to the Principal:

(Through HOD - Mechanical)

Sub: Computer Aided Drafting – Five day AUTOCAD Software training program for faculty – Reg

To enhance the software knowledge in drafting for the faculty members, it is proposed to conduct a training program for five days. This training will be useful for the faculty members in core departments and for the members who are pursuing their research. The course would cover all the aspects of the software and confined to our autonomous syllabus for the next semester. This program will be very much useful to the staff members who are going to handle the subject, "ME16261 – Computer Aided Drafting and Modelling lab" in the forthcoming semester.

The details regarding the expenses is given below:

DETAILS	EXPENSES
Certificates, Tea and Practice Manual (For 15 participants)	250 x 15 = ₹ 3750
Remuneration for resource person (For 5 faculty members)	500 x 5 = ₹ 2500
Overall Expenses	₹ 6250

Miscellaneous

1250/-

In order to compensate the above expenses, it is decided to collect ₹500 (Five hundred only) from the participants.

In this regard, we request you to permit us to collect and to conduct this program for five days (02/01/2017 to 06/01/2017).

Attachment:

1. Brochure
2. Course schedule

Recommended & forwarded to the Principal for approval.

Sir, This course has been initiated so as to have more trained faculty members in AutoCAD Software. Moreover, the course Computer Aided Drafting & Modelling lab is a common course for AE, MR, CE & ME branches. Hence training the faculty members in this course will be more essential and this will be conducted during the vacation period.

INSTITUTE

Sri Venkateswara College of Engineering was established in the year 1985, with three academic departments. Ever since, it has grown into a premier institution imparting knowledge and excellence through academic, research and infrastructural developments. SVCE now offers 10 UG and 12 PG courses in various Engineering disciplines. It is actively involved in many research projects funded by various industries and organizations, supported by well dedicated faculty, staff and student community.

The Department of Mechanical Engineering is one of the three major departments established during the beginning of the College. The department has well experienced faculty and staff members of proven ability and administrative skills. It has well equipped state-of-the-art laboratories that cater to the needs of the students. The department also takes up industrial consultancy works

DEPARTMENT

from various industries. The department is accredited by **National Board of Accreditation (NBA) since 1998**. The programmes run by the department are,

- **B.E. - Mechanical Engineering.**
- **M.E - Computer Aided Design.**
- **M.E - Internal Combustion Engg.**
- **M.E - Mechatronics.**

TRAINING

The training is aimed at imparting knowledge on efficient way of teaching the subject. The target audience is entry level teachers and those who wish to refine their way of teaching the subject.

RESOURCE PERSONS

All the sessions will be handled by the experienced teachers of the host institute. The resource persons will be from the department of Mechanical Engineering.

SESSIONS

The sessions are planned according to the syllabus laid down our Autonomous Institutions, Chennai.

COURSE

Each chapter will have a theory and practice session (using AutoCAD).

OBJECTIVE & OUTCOME

The objective of the programme is to train the participants to represent engineering components using CAD software.

On successful completion of the programme, the participants will be familiar in drafting and will be able to use CAD software to create any engineering components in 2D

FEE & VENUE

Registration fee: ₹ 500

Last date for Registration: 26/12/2016

The sessions will be handled in the **Mechatronics lab** (2nd floor) in the Department of Mechanical engineering and the practice session will be conducted on **PG CAD lab** (1st floor).

Respected Professors,

Greetings...

The Department of Mechanical Engineering along with CAD/CAM centre is conducting *Computer Aided Drafting – AUTOCAD Software training program from 28/12/2016 to 30/12/2016.*

The brochure for the same is attached along with this mail for your kind perusal. I kindly request you to circulate this brochure among department faculty members and motivate them participate in this program.

The interested faculty members may register their names in the link provided below:

https://docs.google.com/a/svce.ac.in/forms/d/e/1FAIpQLSfkXD6tdku1uw5rEGNtdZ1vy43SApdkVFqK_m5OeazMg5oIw/viewform

Thanking You.

Dear Professors,

Hereby attached the brochure for 3 days faculty development training program on AutoCAD software. I personally request all the Assistant Professors / Associate Professors to participate in this training program and get benefited.

I will assure the participants that at the end of the program, they will gain confidence in handling the II semester Computer Aided Drafting and Modelling Lab.

The program is common for AE, CE, MR & ME department faculty members and the number of registrations is restricted to 20 only. Hence early registrations alone will be considered.

The faculty members who want to really learn the software can apply for the same.

Three day workshop on “Computer Aided Drafting – AUTOCAD Software training program” – Detailed Report

The Department of Mechanical Engineering was given permission for conducting the training program for five days. Later due to academic constraints and due consultation from HoD, the department had organized a three-day Faculty workshop on **Computer Aided Drafting – AUTOCAD Software training program** from **28th – 30th December 2016**. The program was conducted in Mechatronics laboratory of our college. The program was inaugurated by Dr.K.S.Badrinathan, Professor & Dean – Educational Development, SVCE on 28th December 2016 around 9 AM. The program started with a prayer song. Mr. K. Ram Prasad, Assistant Professor delivered the welcome address. Dr. S. Ramesh Babu, Head, Department of Mechanical Engineering addressed the gathering about the objective of the program and its need. He also explained about the difficulties faced by him without knowledge in CAD and its necessity to know the software. Dr.K.S.Badrinathan, the chief guest during his address stressed the teaching passions for the young teachers. He also stressed the importance of design and gave ideas about how the CAD is related to all engineering applications in and also the recent trends. He also motivated the young faculty members to update their knowledge in recent softwares for better improvement in their teaching process.

The attendees for the program were the young internal faculty members from various departments. 2 internal participant from Civil Engineering, 3 from Marine department and 16 from Mechanical Engineering registered for the program in which 2 participants were Instructors. The attendees enthusiastically attended all the sessions and also had a very good interaction with the expert members. All the participants appreciated the way in which the program was organized, the hospitality provided to them and also their increase in confidence level related to this topic. All the participants gave a very good feedback about the conduct of the course and they encourage to conduct training for other softwares in future.

The valedictory function was held on 30th December 2016 at 2.00 pm. Mr.G.Saravanaram welcomed all faculty and participants for the valedictory function. Dr. S.Ramesh Babu HOD, Mechanical Engineering delivered the presidential address. Dr. K.Pitchandi, Controller of Examinations delivered the valedictory address. He explained the importance of CAD in his experience and distributed the certificates to the participants, Resource person and the certificate of appreciation to the coordinators. Mr. M. Maheswaran, Coordinator of the program explained about the various sessions conducted and proposed the vote of thanks to all the resource persons, participants and the management. The program ended with National Anthem.

List of Faculties and Topics Covered

The following faculty members handled various topics and are listed as follows:

Date & sessions	Name of The Faculty	Topic covered
28/12/2016 FN	Dr. K.S. Badrinathan	<p>Introduction to AUTOCAD – Toolbars, Command window, Limits, Units, Workspace, Zoom Co-ordinate systems – Absolute & Relative co-ordinates, Dynamic input, UCS Creating objects (2D) – Line, Polyline, Circle, Rectangle, Polygon, Ellipse, Points, Creating text, etc Snap settings – Osnap, Ortho, Grid, Snap, OTrack Changing Properties – Color, Line weight</p>
28/12/2016 AN	Mr. M.Maheswaran Mr. G.Saravanaram	Practice session from workbook
29/12/2016 FN	Mr. M.Maheswaran	<p>Modify Commands – Move, Copy, Break, Offset, Chamfer, Trim, Extend, Stretch, Array, Rotate, Mirror, Scale, Lengthen, Measure, Divide, Blend Dimensioning – Linear, Align, Angled, Arc length, DimStyle, Qleader, Dimjogline, DimOrd, Dimspace, DImbreak, Diminspect Hatching – Pattern types, Usage of Layers</p>
29/12/2016 AN	Mr. V.Sridharan	<p>Plotting the drawing files – Plot size, layout Introduction to Isometric drawing – Isoplane, Isocircle, Dimensioning isometric view, Example exercise in Isometric drawing – One without curve, One with curves</p>
30/12/2016 FN	Mr. G.Saravanaram	<p>Block and Insert for Assembly – Block, Inset , ISO standard templates Residential Plan – Multiline, Multiline edit, ML style, Explode, demo for residential plan</p>
30/12/2016 AN	Mr. M.Maheswaran	<p>Introduction to Auto CAD 3D – Region 2D objects, Extrude, Revolve, Loft Modify of 3D drawing – Union, Subtraction, Intersection Conversion of 3D to 2D drawing – Demo exercise</p>

**FN Session – 9.00 AM – 12.00 Noon with tea break for 15 Minutes,
 AN Session - 12.45 PM – 3.15 PM with a tea break for 15 Minutes**

To

Dr.K.S.Badrinathan,
Professor & Dean (Educational Development)
Department of Mechanical Engineering,
Sri Venkateswara college of Engineering,
Sriperumbudur.

Dear Professor,

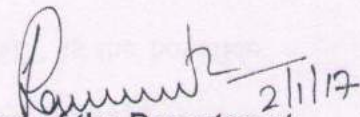

Subject: Letter of Appreciation

Thank you very much for delivering an informative and thought provoking lecture as a resource person on "Computer Aided Drafting – AUTOCAD Software training program" held in the Department of Mechanical Engineering of our institution on 28th December 2016.

It was really a splendid presentation which exposed the participants to the field of practice.

Looking forward for your cooperation for the promotion of professional education in future as well.

Thanking you

Head of the Department
Mechanical Engineering
