In Post lunch session the Head Master of the school was invited and on behalf of the NSS unit, a good quality writing table was presented to the school. The NSS volunteers presented a writing pad to the school children. As the school computer was devoid of a speaker system, which proscribed the teachers to show multimedia content to students, the volunteers donated a speaker system and made it operational. Some of the volunteers donated books to the school library.

The valedictory function was held on the last day of the camp with Dr.GaneshVaidhayanathan, Principal, of our college. Dr.A.Ananadavadivel Sr.PO-NSS welcomed the gathering and proceeded to narrate the camp activities at length and about the transformation the special annual camp brought upon the personalities of camp participants. Further the chief guest was invited to address the NSS volunteers. The Principal extolled the services rendered by NSS volunteers during the camp and exhorted them to apply technology to problems faced by villagers in a cost effective and simplistic manner. Then, one of the lead volunteer was invited to honor the Principal and a small book on chanting translated from Malayalam to Tamil was presented. A part of interaction our Principal invited NSS volunteers to share their experiences which was readily complied by two volunteers from each camp. High tea was served and the camp came to an end with National anthem.
