AIDS AWARENESS RALLY has been conducted on 01.10.2018 in Pennalur village. 50 NCC cadets has participated in the rally. The rally has been inaugurated by the Principal by waving the flag. We started the rally from the college by 08:30 A.M, we reached the village by 09:00 A.M

The rally was conducted for about 3 Hrs and almost all the areas of the village were covered. Slogans of AIDS Awareness were roared all around. And the awareness has been spread throughout the village.

Clip boards with slogans like

**“Prevention is better than cure especially when there is no cure“**

**“AIDS is no joke wrap before you poke”**

were held high in the air and they were shouted all along the path we covered. Some tamil slogans were also used so that local people could understand.

Door to door visits were also made so that our agenda has been fulfilled to the cent percent which was our aim. Some houses which were so remote from the village were also covered.

We ended the rally around 12 noon.
