

## NATIONAL CADET CORPS (EME)

Sri Venkateswara College of Engineering  
Sriperumbudur 602 105

### ***Report of “Road Safety Week Programme” conducted on 07 Jan 2013***

A Road Safety Week programme was conducted in Sri Venkateswara College of Engineering as a part of Social service activities for the NCC cadets. As the first week of the every year is celebrated as the Road Safety Week, this programme was conducted by the NCC cadets of Army wing of our college as a common activity.

The programme was started at 0900 hrs with prayer song. **Lt. Dr. A. Bhaskaran** Coy Comdr, welcomed the gathering. **Dr. Muthukumaran Sivanandam, Principal**, Sri Venkateswara College of Engineering addressed the chief guest **Mr. K. Nellaiyappan, Regional Transport Officer**, Kancheepuram. The chief guest then delivered a lecture on Road Safety Week to the NCC cadets. His lecture covered the topics such as importance of road safety and managing high traffic levels.

At 0940 hrs **Mr. Karupppaiyan, Brake Inspector**, Sriperumbudur gave a lecture on Road Safety. His lecture covered the topics such as causes of accidents, rules of driving, loss due to accidents with few case studies, mistakes made during driving, statistical datum of accidents occurring each year and safe driving.

The lecture was enlightening; creating a great awareness to all the NCC cadets. The cadets enthusiastically interacted with the brake inspector and got clarified their doubts. The cadets were advised to spread the message about road safety by sharing it among their friends, relatives and to the society at large.

**Cpl. Kabilan** delivered vote of thanks. He thanked Mr. Nellaiyappan and Mr. Karupppaiyan for delivering their wonderful lecture in this program. He also thanked the Secretary Dr. M. Arunachalam and Principal Dr. Muthukumaran Sivanandam for granting permission to conduct this programme. He also thanked JCO Mr. Jafer Ali for his presence and Lt. Dr. A. Bhaskaran who made this programme possible. The programme was concluded with National Anthem at 1030 hrs.
