

Department of Applied Physics

In association with

Department of Electronics and Communication Engineering
Sri Venkateswara College of
Engineering Sriperumbudur 602117

Cordially invite
you for the

GUEST LECTURE on

**“Microwave tube amplifiers, Microwave power Module and high
power Microwaves for defence applications”**

at

Seminar Hall, Dr. A. C. Muthiah Central Library

on

29th July 2019, 10:30 hrs – 12:20 hrs

Mr. R. Venkateswaran, M.Tech

(Scientist ‘E’, Microwave Tube Research and Development Centre (MTRDC),
Defence Research and Development Organization (DRDO), Bangalore)

Has kindly consented to be the Chief Guest

Dr. S. GANESH VAIDYANATHAN

Principal

Will preside over the function

PROGRAM

- 10:30 hrs** **Prayer Song**
- 10:35 hrs** **Welcome Address by Dr. S. Muthukumar, Prof and Head,
Electronics & Communication Engg**
- 10:40 hrs** **Introduction of Chief Guest by Dr. N.R. Sheela, Coordinator**
- 10:45 hrs** **Address by Dr. S. GANESH VAIDYANATHAN, Principal**
- 10:55 hrs** **Guest Lecture on “Microwave tube amplifiers, microwave power module
and high power microwaves for defence applications”
by **Mr. R.Venkateswaran****
- 12:15 hrs** **Vote of Thanks by Capt. Dr. A. Bhaskaran, Prof and Head, Physics**
- 12:20 hrs** **National Anthem**

**GUEST LECTURE on Mr. R. Venkateswaran, M.Tech from DRDO,
on 29th July 2019, 10:30 hrs**

A. Bhaskaran

(Dr. A. BHASKARAN)
Prof and Head
Dept of Applied Physics, SVCE
