**Report on Guest Lecture:” Opportunities for Chemical Engineer”**

DATE:03<sup>RD</sup> APRIL, 2017

TIME:1:30 PM

**OBJECTIVES:**

The main objective of guest lecture was to make students aware of different opportunities after graduation as a chemical engineer.

**ABOUT THE PROGRAMME:**

Guest lecture on “Opportunities for Chemical Engineer” was organized by faculty and student members of department of chemical engineering in association with ACT and IICHE-SVCE students chapter Chennai on 03<sup>rd</sup> April, 2017 at SVCE.

The programme started with Tamizhthai vaazhthu followed by introductory note about the guest. Then the session was handed over to the guest, Mr. N. Venkatesh, consultant, Chennai Pharma Consultants.

The guest started with brief introduction about various roles and jobs for chemical engineering. Then he talked about where chemical engineers are looked-for, for example R&D, process engineering, production and process design engineering. It was a very informative and interactive session where students came to know about the career choices after graduation as a chemical engineer.

Then question and answer session was held. The guest answered to all the queries raised by the participants. The guest lecture was ended with vote of thanks.

**BENEFITS:**

The students came to know about various career choices and opportunities after graduation as a chemical engineer.
