Report on Webinar: “GLIMPSE OF CHEMICAL ENGINEER’S CHALLENGE”

DATE: 19th July,2017

TIME: 10:00AM

OBJECTIVES:

The main objective of the webinar was to understand the academia -Industry interaction. The seminar was also focused on learning about the organization and networking with others in the Industry.

ABOUT THE PROGRAM:

A Seminar on “**Glimpse of chemical engineer’s challenge**” was organized by department of chemical engineering in association with ACT & IIChe- SVCE student chapter, Chennai on 19th July ,2017 .

The program started with introduction of Office bearers of ACT & IIChe - SVCE Student Chapter, followed by introductory note about the speaker. Then the session was handed over to Prof. V. Vijayagopal Professor & head, Department of chemical engg., faculty of engineering & technology annamalai university, Chidambaram for the inaugural address, followed by the guest lecture by the speaker, Mr. R.N. kumar , Head, process engineering ,Sim infosystems, Chennai.

The speaker started his talk on how to excel in an industrial job and how important it is to learn about the organization and the challenges in the industry. He also talked about networking with others in the industry. He also insisted on developing industry mindset and need to know the right business language and how to translate ideas into marketable applications. Then, then session was opened for question and answer interaction. The speaker answered to all the queries raised by the participants. The session was ended with a vote of thanks.

BENEFITS:

The webinar helped the participants to understand the Career growth and the prevailing challenges via interaction. It also helped participants to understand global trends and realities in general.
