DEPARTMENT OF CHEMICAL ENGINEERING
Report on Webinar: "Future prospects in the IT industry"

DATE: **28th March, 2018**   TIME: 10.45 AM

OBJECTIVES:
The main objective of the webinar was to understand the academia -Industry interaction. The webinar also focused on learning about the organization and networking with others in the industry.

ABOUT THE PROGRAM:
A webinar on "Future prospects in the IT industry" was organized by faculty and student members of department of chemical engineering in association with IIChE and AIChE - SVCE Student Chapter Chennai on 28th March, 2018 in Video Hall.

The programme started with introductory note about the speaker. Then the session was handed over to the speaker, Mr. S. SATHISH KUMAR, Team leader, HTC global services Ltd., Chennai

The speaker started his talk on how to excel in an IT job and how important it is to learn about the organization and the sector one works in. He also talked about networking with others in the industry and the future prospects in IT industry. He also insisted on developing mindset on working in IT industry and need to know the right business language and how to translate ideas into marketable applications.

Then, the platform was opened for question and answer session. The speaker answered to all the queries raised by the participants. The session was ended with a vote of thanks.

BENEFITS:
The webinar helped the participants to understand the Career growth in IT Sector via interaction. It also helped participants to understand global trends and realities, and the IT news in general.
