Report on Guest Lecture: "Basics of Nanotechnology"

DATE: 23RD November, 2018

TIME: 10:30AM TO 12:30PM

OBJECTIVES:

The main objective was to understand the importance of Nanotechnology in modern world. Also to get an idea about the Implementation of Nanotechnology in industries.

ABOUT THE PROGRAMME:

Guest lecture on "Basics of Nanotechnology" was organized by faculty and student members of department of chemical engineering in association with IICHE and AICHE SVCE Chennai on 23rd November, 2018 at video hall in SVCE.

The programme started with Tamizhthai vaazhthu followed by introductory note about the guest. Then the session was handed over to the guest, Dr. P Prabhu, Assistant Professor, department of Physical Chemistry, School of Chemical Sciences, University of Madras.

The guest started with brief introductory about basics of Nanotechnology. He explained in detail the various processes in which nanotechnology played a major part. Further, various applications from catalytic processes to the domestic uses were discussed which were really engaging.

Then question and answer session was held. The guest answered to all the queries raised by the participants. The guest lecture was ended with vote of thanks.

BENEFITS:

The guest lecture helped participants to understand the importance and application of Nanotechnology. Concepts of Nanotechnology were well understood.

PREPARED BY:

Dr. D. Swaminathan
Associate Professor
Department of Chemical Engineering
Sri Venkateswara college of Engineering
