DEPARTMENT OF CHEMICAL ENGINEERING

Report on Guest Lecture:” Career Opportunity After Graduation”

DATE:1ST October, 2016

TIME:11:30AM TO 1:30PM

OBJECTIVES:

The main objective was to given the guidance students to choose the best career option after their graduation and how to select the best job opportunity and talks about opportunities in core industries.

ABOUT THE PROGRAMME:

Guest lecture on “Career opportunity after graduation” was organized by faculty and student members of department of chemical engineering in association with IICHE and ACT SVCE Chennai on 1st October, 2016 at function hall in SVCE.

The programme started with Tamizhthai vaazhthu followed by introductory note about the guest. Then the session was handed over to the guest, Mr. S. Subramanian, Managing Director, Jai & Senthil Polymers, Chennai.

The guest started with brief introductory about what is career and how to select the career option after graduation. Then he gave a brief talk about benefits of choosing abroad for the higher studies. Then he shared his experience and talks about how he chooses his career and what are all the field are best for chemical engineers.

Then question and answer session was held. The guest answered to all the queries raised by the participants. The guest lecture was ended with vote of thanks followed by national anthem.

BENEFITS:

The guest lecture helped student participants to have good idea on how to choose the right career option after their graduation and to find the job opportunities in chemical industries.
