

SRI VENKATESWARA COLLEGE OF ENGINEERING
Pennalur, Sriperumbudur – 602 117

Faculty Members and Students of the Department of
CHEMICAL ENGINEERING

Solicit your esteemed presence for the guest lecture organized
by the

ASSOCIATION OF CHEMICAL TECHNOLOGIST
&
INDIAN INSTITUTE OF CHEMICAL ENGINEERS
– SVCE STUDENTS CHAPTER

Sri Vijay Bhujle

Senior Vice President - Technical,
GVS CIBATECH PVT LTD
Mumbai

Will deliver a talk
On
Process Safety in Chemical Industries

Venue : Process Control Lab
Date & Time : 19th JAUGUST, 2016 at 02:30PM

ALL ARE WELCOME !!

DEPARTMENT OF CHEMICAL ENGINEERING**Report on Guest Lecture:” Process Safety in Chemical Industries”**DATE:19th August, 2016

TIME:2:30PM TO 4:30PM

OBJECTIVES:

The main objective was to know about the process safety in chemical industries and what are all the safety measures and protocols followed by a chemical industry.

ABOUT THE PROGRAMME:

Guest lecture on “Process Safety in Chemical Industries” was organized by faculty and student members of department of chemical engineering in association with IICHE and ACT SVCE, Chennai on 19th August, 2016 at function hall in SVCE.

The programme started with Tamizhthai vaazhthu followed by introductory note about the guest. Then the session was handed over to the guest, Sri Vijay Bhujle, Senior Vice President – Technical, GVS CIBATECH PVT LTD, Mumbai.

The guest started with talk about the what is process safety and why it is important in process industries. Then he took a presentation on how the industries are following the safety protocols and what is job and role of the safety engineers in an industry. Then he talked about the role of human engineering in accident prevention and he shared his experiences.

Then question and answer session was held. The guest answered to all the queries raised by the participants. The guest lecture was ended with vote of thanks followed by national anthem.

BENEFITS:

The guest lecture helped the participants gain the knowledge of process safety followed in an industry and how we can prevent the accidents and what are all the safety measure followed in chemical industries.

PREPARED BY:

Dr R. Palani
Associate Professor
Department of Chemical Engineering
Sri Venkateswara college of Engineering
