- **Vote of Thanks**

DEPARTMENT OF CHEMICAL ENGINEERING

Report on Webinar: “CURRENT SCENARIO OF CHEMICAL INDUSTRIES And OPPORTUNITIES FOR CHEMICAL ENGINEERS”

DATE: 22nd February, 2018

TIME: 10.45 AM

OBJECTIVES:

The main objective of the webinar was to understand the Current Scenerio of Chemical Industries. The webinar also focused on learning about the opportunites available for Chemical Engineers in the industry.

ABOUT THE PROGRAM:

A webinar on “Current Scenario of Chemical Industries and Opportunities for Chemical Engineers” was organized by faculty and student members of department of chemical engineering in association with IChE and AIChE - SVCE Student Chapter Chennai on 22nd February, 2018 in Video Hall.

The programme started with the Tamizhthai vazhthu followed by the introductory note about the speaker. Then the session was handed over to the speaker, Mr. S. ILANAHAI, Managing Director, Cetex Petrochemicals Ltd., Manali, Chennai-600 068

The speaker started his talk on how to excel in an industry and how important it is to learn about the organization and the industry one works in. He also talked about the opportunities available for Chemical Engineers. He briefly elaborated the current scenario of Chemical Industries and also insisted on networking with others in the industry. He asked us to know the right business language and how to translate ideas into marketable applications.

Then, the platform was opened for question and answer session. The speaker answered to all the queries raised by the participants. The session was ended with a vote of thanks.

BENEFITS:

The webinar helped the participants to understand the Current Scenerio of Chemical Industries via interaction. It also helped participants to understand global trends and realities, and the industry in general.

PREPARED BY:

Dr. R. Govindarasu
Associate Professor
Department of Chemical Engineering
