YRC-SVCE UNIT

DENGUE AWARENESS CAMPAIGN

YRC -SVCE unit organised door to door DENGUE awareness campaign on 28th December, 2018 to the people of Sivanthangal Village, Sriperumbudur Taluk. The awareness campaign was flagged off at SVCE by Prof. K. R .Santha, Vice principal and Dr. N. Meyyappan, HOD, Department of Chemical Engineering along with the distribution of badges to the YRC-SVCE organising team members. The campaign was kick started at Sivanthangal village by the chief guest **Pulavar . R . Manickam**, Secretary- IRCS, Kancheepuram District. He provided essential tips to the people of Sivanthangal village on the eradication of mosquito menace. As a part of the campaign, our YRC members distributed about 10 litres of **Nilavembu-Kudineer (NK)** to the people of Sivanthangal village. NK is proven to be the only Indian Ayurvedic medicine to treat and cure dengue at a faster rate than English medicine. During the campaign, the staffs from Sriperumbudur municipality contributed their support to our team. The campaign came to an end with a memento to the chief guest by Dr. R. Govindarasu.
