## YRC-SVCE UNIT

### FIRST AID TRAINING PROGRAMME

The day **28<sup>th</sup> October, 2018** was one of the golden days in the history of YRC-SVCE. It was a fine afternoon session wherein our students were brisk enough and enthusiastic to learn something new. **Mr. N. Krishnan**, District Treasurer-IRCS and **Pulavar. R. Manickam**, District Secretary- IRCS, Kancheepuram District, provided to our students a very important lecture with practical sessions on the topic 'Lessons to be learnt during the life time by every human'.

The major topics on the lecture session covered first aid, safety and recovery. They gave a brief idea about first aid for accidents on fracture care and counselling on prevention of suicide. Our students were well trained with CPR techniques which will be far helpful for them to treat people who suffer from sudden risk of heart disease. The entire programme for the day was well organised by the YRC-SVCE co-ordinators Dr. R. Govindarasu and Dr. N. R. Sheela.
