YRC-SVCE UNIT

KERALA FLOOD RELIEF FUND

There was a huge disaster in our neighbouring state Kerala during the month of September, 2018. Thousands of families suffered without food, clothes and shelter. Since they lost their livelihood, in the essence of spreading humanity through peace, YRC-SVCE volunteers initiated a plan. There is saying that hard work will yield a fruit for sure, and there came a success story in the annals of SVCE. YRCians collected a fund of around Rs.25,000/- from our fellow SVCEians. This proved that nothing in this world is impossible when hard work and teamwork are united. On the day of YRC-SVCE inauguration (28th October 2018), the fund collected was handed over to the **Pulavar. R. Manickam, Indian Red Cross Kancheepuram District Secretary**. This was done by our beloved Principal and YRC-SVCE Chairperson Dr. R. Govindarasu in presence of fellow SVCE YRCians.
