ROAD SAFETY AWARENESS PROGRAM

YRC-SVCE Unit in association with Transport section of SVCE organised the road safety awareness program on 4th of February 2019 at the Biotech conference hall in SVCE. The road safety awareness events were inaugurated by Sriperumbudur region Motor Vehicle Inspector Mr. M. R. Mugundhan with his enlightened speech. During the programme, debate, quiz and mimicry about road accident and its prevention were highlighted. Debate was conducted with six members team on the topic “Do youngster’s have awareness about road safety or not?” with Dr. Anitha, HOD of Computer Science Department as the Judge. Our beloved Principal Dr. S. Ganesh Vaithyanathan and respected Secretary Dr. M. Sivanandham delivered their presidential address about road safety and its significance. The programme was honoured by the chief guest, Mr. R .P .Senthilkumar, Regional Transport Officer, Sriperumbudur region. He addressed the gathering about the safety awareness, existing traffic rules, statistics of road accident, accident prevention, etc. The entire program was coordinated by SVCE Transport conveners Dr. S. Saravanan and Mr. S. R. Balasubramanian and YRC Chairperson Dr. R. Govindarasu.
