FIRST AID TRAINING PROGRAMME

First aid training programme was held on 14th October, 2019. Pulavar.R.Manickam, District Secretary- IRCS, Kanchipuram District, provided a very important lecture with practical sessions to our students on the topic 'Lessons to be learnt during the life time by every human'. Our students were well trained with CPR techniques (First aid training) which will be far helpful for them to treat people who suffer from sudden risk of heart disease.
