HEALTH AND EDUCATION AWARENESS PROGRAMME:

Health and Educational awareness campaign was conducted on 08.01.2020 at Government Middle School, Pennalur. The programme was presided over by Prof. R.Manickam, IRCS District Secretary, Kancheepuram Dt. As a part of the campaign various games were conducted to evaluate the students' memory power and concentration and the best students were appreciated with prizes. In addition to that Nilavembu-Kudineer which is a best known Indian Ayurvedic medicine to treat and cure dengue was administered to the school students.
