COVID'19 CAUSES AND PREVENTION METHODS

YRC-SVCE Unit conducted an awareness program on “COVID'19: Its causes and prevention methods” via online mode on 18th May, 2021. Dr.S.Jeevanandham, Former Dean, MGR Medical University, Chennai & Chairman of IRCS, Kancheepuram District and Pulavar R.Manickam, Secretary, IRCS, Chengalpattu District elaborated the safety measures and precautionary steps to be followed in the pandemic situation against COVID'19 and also explained its symptoms, effects and treatment methods. The programme was inaugurated by Dr.K.Pitchandi, Controller of examination, SVCE with inaugural address about COVID'19. Students had a good interaction with the speakers.
