WEBINAR ON ENVIRONMENTAL POLLUTION AND PREVENTION TECHNIQUES

YRC-SVCE Unit Organized a webinar on “Environmental pollution and prevention techniques” on 4th February, 2021. The speaker of the webinar Er. C.Muthuraj, Assistant Engineer, Tamilnadu Pollution Control Board, Erode, TN explained very clearly about the importance of environment, effect of environmental pollution and pollution protection methods. Students had a good interaction with the speakers. The programme was conducted in presence of Prof.K.R.Santha, Vice Principal, SVCE who preside over the webinar and delivered an enlighten speech about the value of the environment and its benefits.
