DENGUE AWARENESS CAMPAIGN

Youth Red Cross - SVCE unit is greatly concerned with student's health and conducted a webinar on "Dengue Awareness programme" on 13th November, 2020 via online mode. The speaker of the webinar was Dr.E.Jayabarathi, Chief Medical Officer, Government Hospital, Sriperumbudur. She explained about the dengue fever: symptoms, treatment and prevention methods very neatly in the presence of Pulavar.R.Manickam, District Secretary- IRCS, Chengalpattu District and Dr.N.Meyyappan, Head of the department, Chemical Engineering, SVCE. The students knew about the precautionary steps and the treatments for the dengue fever.
