Reflection Report of One day Workshop on

'Compiler Design'

The Department of Computer Science And Engineering, Sri Venkateswara College of Engineering organized a One day Workshop on 'Compiler Design' on 22nd March, 2018 at Function Hall, SVCE. The guest speaker was Mr. S.Kalidas, Founder and Director of IFANDFOR ENDEAVOURS, Chennai. The event started with a Prayer song followed by a welcome address by Ms. S. Rajalakshmi, AP/CS. The introduction to chief guest was given by Ms. U. Abirami, AP/CS. The workshop was preceded by a short talk by Dr. R. Anitha, HoD/CS. In her talk, she emphasized the need for Optimization and efficient working of Compilers.

The lecture started around 09.00 A.M and come to an end by 03.00 P.M. Mr. S. Kalidas explained about the differences in working with C and C++ in Turbo C IDE. He also explained about the updation in designing compilers from C, C++ and JAVA. He also insisted students to learn PYTHON, as PYTHON is becoming so powerful nowadays. He interacted with the participants during and at the end of the each topic by gaining interest towards the students and by giving real time examples by demonstrating through his instant coding skills.. The session was both explanatory and demonstrative.

The workshop was received by 93 students from II Year and III Year Computer Science. They also found that the content of the workshop was appropriate for their academics as well as for their future work on the projects and research.

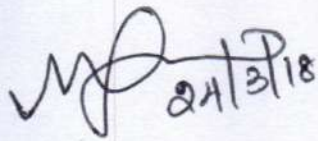

After the lunch, the speaker Mr. S. Kalidas had a outlined discussion in the area of VLSI, Artificial Intelligence and Web Programming. The session was so interactive, the students posted many queries and was so nicely clarified by the speaker.

At the end of the Workshop, Dr.R.Anitha, HoD/CS gave a short feedback on the workshop. She insisted the students to take this opportunity to start learning on compilers and insisted to design efficient compilers, and also to do project and research works on compilers.

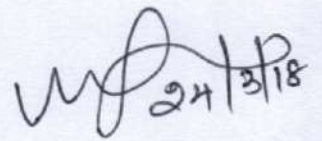

The event ended with a Felicitation to the guest with a memento. The Vote of thanks was rendered by Ms. J. Buvana, AP/CS, followed by national anthem.

With this, the day was ended where the students gained introductory and fruitful knowledge on compilers and how to design it.

Expenditure involved is Rs. 1263/-
