Report

Guest Lecture:

1. Resource Person : Mr. Ramesh Chandrasekar
2. Target Audience : III year 'B' & II year 'B' students
3. Venue : Function Hall
4. Date & Time : 28.09.2016, 9.30 AM

On the 28th of September 2016, Mr Ramesh Chandrasekar delivered a lecture on "Convergence of the Physical and Digital". He was introduced by Mr.Sriram of II yr IT 'B'. Mr.Ramesh Chandrasekar has extensive experience in multiple areas of the industry such as automation,digitization and artificial intelligence. He is the Head of Delivery at L&T Infotech , for the Nordic geography.

The Head of the Department inspired the students to participate actively and make optimum use of these opportunities.

The session lasted for about an hour. He started by explaining how physical media is slowing being replaced by a digital infrastructure. He also gave an overview of how the IT industry will look in the next decade and suggested the students topics for research.

The lecture ended with a Q&A session with the students. Mr.Sriram II year IT 'B' delivered the vote of thanks.
