To
The Principal
Sri Venkateswara College of Engineering,
Sriperumbudur-602117.
Through the HOD/IT,SVCE

Respected Sir,

Sub: Permission for conducting "Three Days Workshop on Animation and Videography"-
Reg

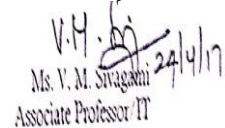

The Department of Information technology has planned to conduct " Three Days Workshop on Animation and Videography" during the summer vacation. In this connection I request you to kindly permit us to conduct the workshop in our department laboratory(Ground Floor) for three days from 31/05/2017 to 2/06/2017.

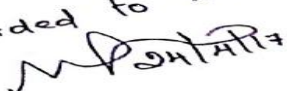

Sir,I hereby also request you to kindly provide us the financial assistance for the same.

Thanking You,

Yours faithfully,

HOD/IT

Ms. V. M. Sriganani
Associate Professor /IT

forwarded to The Principal,

Approved - Expenditure

24/4/17. Shall be met from dept budget.

Three Days Workshop on “Animation and Videography”

WORKSHOP SCHEDULE

DAY 1: 31/05/2017

FN: 09.00 AM - 12.30 PM

SESSION 1: PHOTOGRAPHY

ARIHANTH R, Third Year , IT SVCE	AMIRAN ASOKAN Third Year , IT SVCE	AJAY KUMAR Third Year , IT SVCE
--	--	---------------------------------------

AN: 1.00 PM - 4.00 PM

SESSION 2: VIDEOGRAPHY

ARIHANTH R, Third Year , IT SVCE	AMIRAN ASOKAN Third Year , IT SVCE	AJAY KUMAR Third Year , IT SVCE
--	--	---------------------------------------

DAY 2:1/06/2017

FN: 09.00 AM - 12.30 PM

SESSION 1: PHOTOSHOP

AJITHA NARAYANAN Final Year , IT SVCE

SESSION 2:ILLUSTRATOR

FN: 1.00PM – 4.00 PM

BALAJI Third Year IT

DAY 3: 2/06/2017

FN: 09.00 AM - 11.30 AM

SESSION 1: INTRODUCTION TO FLASH

AARTHI DURAI Third Year , IT SVCE	DEEPAK VISHAL Third Year , IT SVCE
---	--

AN: 12.00 PM -2.30 PM

SESSION 2: AUGUMENTED REALITY

ABIRAM VYAS Third Year , IT SVCE	ARUNACHALAM M.S Third Year , IT SVCE
--	--

1/10/22, 1:52 PM

We Take Immense Pleasure To Invite You All To

**“Three Days Workshop on
Animation and photography”**

**Department of Information Technology
Sri Venkatesware College of Engineering
Pennalur, Sirperumbudur-602 117**

**Inauguration by
Dr.R.Anitha
Head of the Department
Information technology**

**will be Presided by
Dr.S.ganesh Vaidyanathan.
Principal,SVCE**

**Venue:PG lab,Ground Floor
Date: 31st May to 2nd June
Time : 9:00 Am**

Brochure Page1

The workshop

The purpose of the workshop is to enhance their knowledge and make them more familiar in these softwares like photoshop, Augmented Reality, Animation and illustrator.

Who can attend

All the students, Faculty, and Supporting Staffs who are interested can attend this workshop.

Venue

System Software Lab, first floor, Department of Information Technology, Sri Venkateswara College of Engineering, Sriperumbudur.

Requirements

Those who are attending the workshop are requested to bring their laptop with the following configurations that are listed in the form which was sent to your mail.

Registration Fee

Registration Fee is ₹150. Those who are interested and willing to attend the workshop are requested to pay the amount upon arrival along with the registration form.

Dates to remember

May 31- Photography and Videography.
June 01- Photoshop and illustrator.
June 02- Flash and Augmented Reality.

For any queries, contact us

Tamil Nadu

Brochure Page2

Photoshop

Photoshop is the predominant photo editing and manipulation software on the market. Its uses range from full featured editing of large batches of photos to create intricate digital paintings and drawing that mimic those done by hand.

Illustrator

Illustrator is a professional vector-based design and drawing program. Used as a part of a larger design workflow, Illustrator allows for the creation of everything from single design elements to entire composition. Designers use Illustrator to create posters, symbols, logos, icons, etc.

Animation

Animation is the illusion of movements created by showing a series of still pictures in rapid succession. These images can be hand drawn, computer generated, or pictures of 3D objects.

Augmented Reality

Augmented Reality (AR) is a live direct or indirect view of a physical, real world environment whose elements are augmented by computer generated sensory input such as sound, video, graphics, or GPS data.

Photography

Photography has become a powerful means of communication and a mode of visual expressions that touches human life in many ways. It is used extensively by newspapers, magazines, books, and televisions to convey information and advertise products and services.

Videography

Videography is the process of creating videos by capturing moving images and creating combinations and reductions of parts of this video in live production and post production.

DEPARTMENT OF INFORMATION TECHNOLOGY

A Three-Day Workshop on ‘Animation and Videography’

May 31st – June 2nd 2017

A Report

The Department of Information Technology organised a Three Day Workshop on Animation and Videography during May 31st to June 2nd 2017. It was inaugurated by Dr.R.Anitha, Head of the Department, Information Technology, Sri Venkateswara College of Engineering. Supporting Staffs from various Departments actively participated in this workshop and got benefited from the programme.

The day started by a warm welcome by Dr.R.Anitha HoD, Information Technology. The workshop had six sessions. The first session was on “Basics of Photography” by Arihanth R, Amiran Asokan and Ajay of third year, Information Technology, SVCE. They covered the topics such as History of Camera, Various setting involved in the camera and different techniques used in the camera. A hands on session was also organised where we made the participants to handle the camera indoor and also outdoor.

The afternoon session was on “Basics of Videography” by Arihanth R, Amiran Asokan and Ajay of third year, Information Technology, SVCE. They explained how to take videos. They showed all the working principles of the camera and the participants were amazed by it. The students cleared all the doubts which were put forwarded by the participants. In the hands on session, they were asked to take videos both in indoor and outdoor sessions.

On 1st June, the forenoon session was on “The basis Photoshop” by Ajitha Narayanan of final year, Information Technology, SVCE. She taught about various moving tools, How to add a background and an image to it, How to create different styles in the paragraph and so on. She also showed her working and also explained each and every detail in brief. In the hand on session they were given different exercises and asked them to work on it and the participant got benefited from it.

In the Afternoon session, Balaji.P.R of third year Information technology, SVCE delivered a talk on “Illustrator”. He spoke about Illustrator and different types of photo & video editing tools available in computer and also in android phones and explained their uses. From this session, the participant will be able to create or edit different kind of images in android phones also.

On 2nd June, the forenoon session was on “Flash (Animation)” by Deepak Vishal and Aarthi Durai of third year, Information technology, SVCE. They taught about what is animation, what are its uses and how to use it. Deepak Vishal explained step by step procedure of how to create a basic animation. The participants were able to create a simple animation by moving the object from one end to another end. Aarthi Durai explained how to animate the object from a trace, how to move the object with the background fixed.

The next session was on “Augmented Reality” by Abiram Vyas and Arun of third year, Information Technology, SVCE. They explained about what is Augmented Reality and how is it different of visualization and with a video they explained the different applications and how they can be used in the future. Every participants actively participated in the hands on session. The participant got benefited from it.

Valedictory function was presided by our Principal Dr.S.Ganesh Vaidyanathan. Dr.R.Anitha, Head of the Department thanked our Principal, all the speakers and the participants who attended the workshop. Our Principal Dr.S.Ganesh Vaidyanathan also thanked all the speakers of the workshop and spoke about the importance of the attending workshop of this nature. Our Principal distributed the certificates to all the participants and the speakers. Ms.V.M.Sivagami, Workshop Coordinator delivered vote of thanks.

The supporting staff members were exposed to software tools like Photoshop, Augumented reality, Illustrator and Animation. They were also gained basic understanding of photography.
