To

**Mr Paul Arun  
CEO, KUDWI Analytics**

Dear Sir,

**Subject:** Invitation – technical talk - Association of Information Technologists (AIT) – reg.

At the outset we would like to thank you for your graceful acceptance of our invitation to deliver a lecture titled “**Overview of Business Analytics & Its opportunities in the Market**” on 7<sup>th</sup> March 2017.

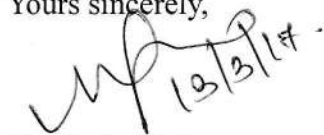

AIT engages in several activities like Workshops, Expert Lectures, Symposia and Industrial visits aimed to benefit our students. AIT also aims to provide the students an insight into the software industry and its requirements with suitable expert talks. These activities equip them to hone their technical and organizational skills.

AIT looks forward to your presence amongst our students and sharing of your valuable thoughts and advice on this topic will definitely benefit them.

We thank you once again for accepting our invitation. We eagerly await the interaction with you to enrich our students with your expertise.

Thank you.

Yours sincerely,

(Dr. R. Anitha)  
HoD/Information Technology  
SVCE.

**Report**

**Guest Lecture:**

1. Resource Person  : Mr Paul Arun & Mr Ramesh Babu
2. Target Audience : III year students
3. Venue : Video Hall
4. Date & Time : 07.03.2017 & 09:30 AM

On the 07<sup>th</sup> of March 2017, Mr Paul Arun & Mr Ramesh Babu delivered a lecture on “Overview of Business Analytics & Its opportunities in the Market”. Mr Paul Arun & Mr Ramesh Babu were introduced by Hemavathy of III year IT, AIT treasurer. Mr Paul Arun is a CEO of KUDWI, a Business Analytics Consulting and a training company. He has more than 16 years of experience in Business Development and strategy. Mr Paul Arun trains and mentor’s students in the Business analytics, Machine Learning and IoT domain. Mr Ramesh Babu is a Data Scientist, IoT professional. Mr Ramesh babu has over 12 years of experience in IT industry (CTS) spanning different functions like Analytics Marketing, Customer Analytics, Time series Modeling, Market research, Statistical validations, Market basket analysis, Sales Strategy and Operations, Program Management and Business development.

The Head of the Department motivated the students by giving them a brief introduction about Data Analytics and its application in an electronic device. The session lasted for about an hour. Resource person Mr Paul Arun started the lecture with an introduction about Data Analytics. Mr Paul Arun then explained the concepts of business analytics with various examples. He explained the concept of market basket analysis with an example. Mr Ramesh Babu explained the concept of IoT(Internet of Things). The students got an insight on Internet of Things and Data Analytics.

Niwedheethaa, Executive member of AIT delivered the vote of thanks. The session came to an end with the presenting of memento to the resource persons by Dr C.Jayakumar, HOD/CS.
