DEPARTMENT OF INFORMATION TECHNOLOGY

24 March 2021

To

Mr. Deepak Inbasekaran
Senior Architect - Technology,
Cognizant.

Dear Sir,

Subject: Invitation – Guest Lecture on “Application Performance Engineering”- reg.

At the outset we would like to thank you for your graceful acceptance of our invitation to deliver Guest Lecture on “Application Performance Engineering”- on 29March 2021, 10.30 am onwards.

Department of IT engages in several activities like Workshops, Expert Lectures, Symposia and Industrial visits aimed to benefit our students and faculty members. These activities equip them to sharpen their technical skills and create awareness & bonding among our students. The Department of IT looks forward to your presence amongst our faculty members & students for sharing your valuable thoughts and advice on this topic will definitely benefit them.

We thank you once again for accepting our invitation. We eagerly await the interaction with you to enrich our faculty members with your expertise.

Thank you.

Yours sincerely,

(Dr. V. Vidhya)
HoD /Information Technology
SVCE.

Report

Special Talk:

Chief Guest: Mr. Deepak Inbasekaran, Senior Architect – Technology, Cognizant

Target Audience: 2nd and 3rd year A and B section

Venue: Google Meet (Online platform)

Date & Time: 29.03.2021, 10:30 AM

Objective:

- To get an exposure on Application Performance Engineering

On the 29th of March 2021, a guest lecture on “**Application Performance Engineering**” was delivered by Mr. Deepak Inbasekaran, Senior Architect – Technology, Cognizant.

The event was compered by Mr. Riyenth S, General Secretary of AIT and prayer was rendered by Ms. Srimathi, a 3rd year student from IT department. The welcome address was given by Ms. Poonam B N, Executive Member of AIT. Introduction of the Chief Guest was given by Ms. Sneha M,

Executive Member. Dr. V. Vidhya, Head of the Department delivered a welcome address to the Chief Guest and soon the session began.

The session lasted for about one hour. The chief guest gave a talk on the below mentioned points:

1. Introduction to Performance and Attributes
2. Various Sample Performance issues faced
3. Introduction and explanation of NFR Jargons

4. Future of Application Performance Engineering

Questions were raised by students and teachers during the Q&A session which were answered by the Chief Guest. The students were highly benefitted, motivated and gained knowledge from the guest lecture. The session came to an end by Dr.V.Vidhya,Hod/IT thanking our chief guest once again and motivating students to learn more on this topic. Further, the feedback forms were filled by the students at the end of the session. Ms. Nilavezhil K, Treasurer of AIT, delivered the vote of thanks.

Outcome of the program:

- Faculty and students were highly benefited from the guest lecture.
- Faculty and students have gained idea about the future scope in this field.
