**SRI VENKATESWARA COLLEGE OF ENGINEERING
DEPARTMENT OF INFORMATION TECHNOLOGY**

ASSOCIATION OF INFORMATION TECHNOLOGISTS

04th August 2017

To

Mr Venkatraman K
Engineer 2,
Microchip

Dear Sir,

Subject: Invitation – technical talk - Association of Information Technologists – reg.

At the outset we would like to thank you for your graceful acceptance of our invitation to deliver a guest lecture titled “**Firmware and its scope**” on 07th August 2017.

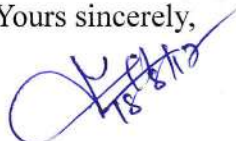

AIT engages in several activities like Workshops, Expert Lectures, Symposia and Industrial visits aimed to benefit our students. AIT also aims to provide the students an insight into the software industry and its requirements with suitable expert talks. These activities equip them to hone their technical and organizational skills.

AIT looks forward to your presence amongst our students and sharing of your valuable thoughts and advice on this topic will definitely benefit them.

We thank you once again for accepting our invitation. We eagerly await the interaction with you to enrich our students with your expertise.

Thank you.

Yours sincerely,

(Dr. V. Vidhya)
HoD i/c/Information Technology
SVCE.

Report

Inaugural & Guest Lecture:

Chief Guest : Mr. Venkataraman K
Target Audience : II & III year B section
Venue : Video Hall
Date & Time : 7.08.2017, 10.00-11.15 A.M

On the 7th of August 2017, Mr. Venkataraman K delivered a lecture on “**Firmware and its concepts**”. He was introduced by Ms. Sahana Nagarajan, III year. Mr. Venkataraman is employed at the Microchip as Engineer 2. He is an expert in data structures and state machines, operating systems and computer networks. He has 4 years of work experience with Microchip Technology, heading many projects and analysing his responsibilities in the right manner to improve himself and the company as a whole.

The Head of the Department addressed the gathering and gave a short note on firm ware with real time examples. She then motivated the students to gain knowledge from the young and energetic speaker Mr. Venkataraman.

Guest of honour started the lecture with the introduction of Firmware and its working principles with real time examples. He explained about the coding part on embedded C. He gave a brief note on scheduling algorithms. He ended the session with a question and answer session.

Mr. J. Shebuel Asher Paul, Vice President, AIT delivered the vote of thanks. The session came to an end with the presenting of memento to the chief guest by Dr.V.Vidhya.
