Report

Guest Lecture:

Chief Guest	: Ms. Sheetal Choraria
Target Audience	: III Year IT ,III year & IV year CS
Venue	: Library Conference Hall, Library
Date & Time	: 10.10.2017, 1.45 P.M -3.15 P.M

On the 10th of October 2017, Association of Information Technology(AIT) & Association of Computer Engineers(ACE) jointly organized a guest lecture on "VR/AR Eco Systems " by Ms. Sheetal Choraria, Business Development Manager, Department of Computing, Mages Institute of Excellence, Singapore .

The event started with a Prayer song by B.Abhireksha, II Year CS student followed by a welcome address by Mr.K.Shashank, Students' President.

Ms. Sheetal Choraria started her lecture by introducing MAGES, the company she is working for. She told that MAGES is providing high quality tertiary level coaching and skill-set for the game designers, animators, and creative computing experts of tomorrow. She explained about the facilities provided by the company for studying diploma, advanced diploma courses and degree courses in game design and the developments through PPT. She also coded that the students from several parts of the world are studying in MAGES and are working in several companies related to Graphics and Animation all over the world.

She has gained the attention of the entire audience by demonstrating several virtual reality applications like "can you escape?", "Honja","Wheel away","Mayan City" by using Immersive VR(Head Mounted Display VR). Ms.B.Abiraksha, Mr.V.Rahul, Mr.Bargav Rao, students of CS department and Dr.R.Anitha, HOD/CS used the virtual contact and completely immersed in the virtual reality world.

At the end of the lecture, Ms. Sheetal explained about the opportunities to learn the gaming softwares in Singapore and explained about the courses MAGES is offering to the students. She answered very patiently to the queries of the students and the faculty members. The lecture was enjoyed by 130-members of CS/IT.

The guest was honored by Dr.V.Vidhya, HOD/IT and the vote of thanks was given by Ms.K.Kiruthika Devi, AP/IT.
