One Day Intra College Hackathon - Report

Chief Guest   : **Prof. S. Muraleedharan, CPO, SVCE**

Target Audience   : Hackathon Participants

Venue   : Function Hall & Video Hall, SVCE

Date & Time   : 09.04.2018, 08:30 AM – 05:15 P.M

Organizer(s)

The event was organized by Computer Society of India (CSI) - SVCE Student Chapter and Department of Information Technology in association with Training and Placement Cell of the college.

Participants

The Hackathon witnessed 32 teams (II & III Year) with 117 student participants from the departments of Automobile Engineering, Bio Technology and Civil Engineering, Computer Science and Engineering, Electronics and Communication Engineering & Information Technology. The participants list is enclosed in Annexure 10.

Chief Guest

Prof. S. Muraleedharan, Chief Placement Officer of SVCE inaugurated the event as the Chief Guest.

Problem statements & Jury

As the Hackathon event was planned to conduct for all the departments, the problem statements were prepared based on the departments by the Industry experts and the same were evaluated by the Academic experts of our college.

The following members evaluated the student projects as jury.

Name	Designation
Ms. VijayaPriya	Director, Cognizant Technology Solutions
Mr. Tony Caleb D	Executive Director, Infoziant Systems Pvt. Limited
Mr. Bala Ganesa Moorthy A	Program Manager, Onward groups
Mr. Vasantha Kumar S P	Associate Vice-President Infoziant Systems Pvt. Limited

Event

Dr. V. Vidhya, Head i/c - IT and Student Branch Counselor (SBC) – CSI SVCE Student Chapter, welcomed the gathering and introduced the Chief Guest **Prof. S. Muraleedharan,** Chief Placement Officer, to the participants. The Chief Guest addressed the participants and appreciated the initiative for conducting inter-disciplinary Hackathon. He insisted that Hackathon is the recruitment model in the current industry scenario and it is the need of the hour to mould the students to code for long hours to meet industry's expectation. Later, the Chief Guest issued the department-wise Problem Statements to participants.

Participants were enthusiastic in solving the assigned problems. The event had two short breaks in the forenoon and afternoon sessions respectively. The lunch was hosted at Gents Hostel Mess. The projects were evaluated by Subject Matter Experts from the industry.

Post evaluation of the projects, the Valedictory function started with a prayer song. Dr. V. Vidhya greeted Shri. S. S. Jawahar IAS, the Chief Guest for the Valedictory Function and introduced him to the audience. The Chief Guest was honored by a memento by Dr. V. Vidhya and a shawl by Prof. S. Muraleedharan. **Dr. V. Vidhya,** SBC – CSI Student Chapter, SVCE delivered the CSI annual report for 2017-18. **Dr. K. R. Shantha,** Vice Principal addressed the gathering and motivated the participants to participate such events to strengthen their technical skills. **Ms. VijayaPriya,** Director, CTS addressed the participants on the importance of Hackathon and appreciated the initiative from the college. She wished that more innovative events of this nature are organized in future.

Shri. S. S. Jawahar IAS, the Chief Guest, delivered a motivational talk and expressed his pleasure on the variety of opportunities provided by the college to the students. He stressed on the need for innovation and creativity to excel in career and need of engineering service examinations to the students. He distributed the prizes for the winners. Ms. Sharmila, Student President of CSI - SVCE Student Chapter, delivered the Vote of Thanks. The event was concluded with the National Anthem.

Outcomes & Feedback

The participants had an excellent exposure to the Hackathon model and utilized it to the greatest extent. They were able to think and apply the technical concepts to solve real time problems. The guests were impressed by the outcome of the projects and appreciated the participants. The Chief Guest applauded the faculty and students for the hospitality provided and wished the participants to continue their spirit in innovation.

Submitted to the Principal

Respected Sir,

  Sub: Request to conduct a One Day Intra College Hackathon for II and III year students on 9th **April 2018** – Reg

It is proposed to conduct a One Day paid Hackathon for II and III year students of our college on 9th April 2018 during college hours (08:30 AM – 04:15 PM) in association with CSI student chapter – SVCE. A total of 50 teams (20 from Second years and 30 from Third years) with a maximum of 4 members per team is expected for participation. We request you to grant permission to conduct the same. The agenda and expected expenditure are mentioned below for your kind perusal.

Agenda:

8:30 AM to 9:00 AM – Inauguration and Problem statement distribution

9:00 AM to 3:15 PM – Hackathon

3:15 PM to 04:00 PM – Evaluation by inter disciplinary jury

4:00 PM – 04:20 PM – Valedictory and Prize distribution

Expected Expenditure:

Budget estimation:

	Income	Expenditure
Registration fees: Rs. 500 per team	500 x 50 = 25,000	
Prize for winners		5,600
Refreshments and Lunch for participants		16,200
Memento		1,500
Certificate and Stationary		1,700
	25,000	25,000

Thanking You,

Sakthivel. E, AP/IT

Dear Sir,

Subject: Invitation – Chief guest on "Inauguration of Intra College Hackathon" - reg.

At the outset we would like to thank you for your graceful acceptance of our invitation to deliver a special talk on **"Inauguration of one day intra-college Hackathon"** on 9th April 2018 on behalf of Department of Information Technology and CSI-SVCE student chapter.

CSI-SVCE student chapter engage in several activities like Workshops, Expert Lectures, Symposia, Industrial visits and Coding competitions aimed to make our students upto industrial standard. These activities also help students to enhance their employability skills.

Department of IT and CSI-SVCE Student chapter looks forward to your presence amongst college students and sharing of your valuable thoughts and advice on this topic will definitely benefit them.

We thank you once again for accepting our invitation. We eagerly await the interaction with you to enrich our students with your expertise.

Thank you.

Yours sincerely,

Dear Vasanth,

   I am Sakthivel, Assistant Prof./IT, Sri Venkateswara College of Engineering, Sriperumbudur. As per the directions by Dr.V.Vidya, HOD/IT, SVCE, I am sending this requisition mail.

   The Department of Information Technology in association with CSI – SVCE student chapter is organizing a One day Intra College Hackathon on 9th April, 2018 for Second and Third year students of SVCE. A total of 50 teams is expected to be participating in the event and we have planned to give the problem statements based on their specialization of study. The duration of Hackathon is 09:00 A.M to 03:00 P.M.

   Having excel in the field of application development and product development your ideas for preparing the problem statements for the Hackathon event will be highly helpful for us to meet the industry standards. Here is the list of departments and the number of problem statements required for each stream:

II Year - Software	III Year – Software / Design / Hardware
CS and IT – 20 statements EC and EEE – 10 statements	CS and IT – 15 statements EC and EEE – 10 statements MECH and AUTO – 6 statements CIVIL – 2 statements BIO TECH and CHEMICAL – 6 statements

   Problem statements for third year students should be more specific to their department for Eg. Automobile students may asked to design a car using AUTOCAD Software. We expect all the problem statements should be more precise to their field of study.

   It would be helpful if you could send the problem statements at the earliest by 4th April evening or by 5th April evening for feasibility checking by Academic experts. It will also be an honour for us if Mr. Tony and Mr. Balagesha Moorthy could join us on the event day for evaluating the projects(Evening 03:00 P.M to 04:30 P.M) and facilitate the valedictory event to motivate the students to participate similar events in future.

   Attached herewith the Poster for further references.

Thanks in advance.

Regards,

Sakthivel E, AP/IT, SVCE.

Profile of Chief Guest

Mr.Muraleedharan

Professor and Chief Placement Officer of SVCE

Mr.Muraleedharan is a Professor and Chief Placement Officer of SVCE for the past 12 years. He is one of the most experienced employees at SVCE. He joined SVCE in 1988 and he is playing active roles with this esteemed institute for the past 29 years.

Mr.Muralee has Masters in Science and Masters in Business Administration at his credit. His areas of interest include Accounting, Finance, and Software Engineering. He has facilitated many batches of students in Software Engineering, Financial Management, Accounting, Database Management Systems and E- Commerce. This shows his experise in multiple platforms.

Being the Chief Placement Officer of SVCE, he is responsible for all the trainings related to Placement activities and campus recruitments. With his efforts, the college is able to witness a placement of more than 90% every academic year during the past decade irrespective of the market scenarios. To highlight, more than 200 recruiters visited our campus in his tenure and he ensures at least 100 companies visit our campus for recruitment every year. This year 130 companies visited our campus till date and the count still goes on. He is a part of the team of Placement Officers across the country.

To enable the dreams of Higher Studies of our students come true, he ensures that our students take part in Foreign Universities' roadshows outside the campus and he also organizes meetings with Foreign University delegates in the campus.

He is a dynamic person and forecasts the industry expectations in advance and works towards addressing the industry demands from freshers. He extends his support in organizing any technical event at SVCE by nominating industry experts for the event. He observes that Hackathon is the current recruitment model for product based companies and in future all recruiters may opt for the same.
