A Report on 24 hours Intra-College Hackathon

The Department of Information Technology along with the Training and Placement cell and Computer Society of India - SVCE Student Chapter conducted 24 hours Intra-College Hackathon on 8th and 9th of February 2019. The event was inaugurated by Mr. Johnson S Franklin, Deputy Chief Manager, HoD ITCC, TechnipFMC. The prayer song was rendered by K.Deepikha, II Year, IT and the welcome address was delivered by Dr.V.Vidhya, HoD In-Charge/IT and SBC/CSI SVCE Student Chapter. M. Nithyashree III Year IT, introduced the Chief guest for the Inaugural function. The Chief Guest delivered a technical talk on **"Our Next Journey"**.

Mr. Johnson S Franklin has a strong IT experience over 20 years in multiple domains such as Energy Industry, Manufacturing, Supply Chain, Entertainment and Hedge Funding, etc. He worked as a Senior Delivery Manager at TechnipFMC for 5 years and has 10 years of onsite experience (USA, Australia, and Singapore) with Permal, NBCU, HP, GE, and MGM Mirage Clients. He worked as a data scientist and project manager in project planning, effort estimation, resource allocation, calculating estimates for the defined scope of work, identifying and mitigating project risks. He has extensive experience in Agile and Waterfall Software Development Life Cycle including Analysis, Design, Development, Deployment and Maintenance of software applications.

Mr. Johnson S Franklin initiated the talk by conducting a quiz to the students. He continued his talk in explaining about the Road to success by emphasizing on the points such as operational efficiencies, culture, sustainable, competencies and embrace digitalization opportunities. He also discussed about the tools and technologies which are in high demand. He concluded his lecture with an interactive questionnaire session with audience.

Prof. S. Muraleedharan, Chief Placement Officer, addressed the students and motivated them to actively participate in the hackathon which will hone the skill set of them. He insisted on the need for the development of the required skill sets and specialization to avail placement opportunities.

The Chief Guest was presented with a memento by Prof. S. Muraleedharan. Hackathon problem statements were distributed to the participants by the Chief Guest and the Chief Placement Officer. The Inaugural function came to an end with the vote of thanks rendered by S. Jeyashree, III Year IT.

Around 36 teams (3 students per team) participated in the Hackathon from various departments such as CS, EC and IT. Among 36 teams, 30 teams were CSI members. Around 14 CSI Volunteers were involved to organize the event. The hackathon event started at 12.30pm (8th Feb). During 24 hours of hackathon, four reviews had been conducted to evaluate the performance of the participants on their projects. At 2.30pm, the first review was conducted by the faculty members from Department of Information Technology. Around 6.30pm, the second review was done by Dr.V.Vidhya, HoD In-Charge/IT. The Coordinators of the hackathon event evaluated the projects at 3.30am (9th Feb) and as well as in the morning session.

At the end of hackathon session, Mr. Palanippan Narayan, CEO, Mocero Solutions, evaluated the projects for 19 teams. Mr.Vishnuraj.K. – Lead Security Analyst, and Mr. Aravind D - Lead Engineer, Infoziant System Pvt Ltd evaluated the projects for 17 teams.

The event came to an end with the Valedictory function presided by Mr. Palanippan Narayan, CEO, Mocero Solutions, Alumnus (2005 Passed Out), Mr.Vishnuraj.K. – Lead Security Analyst, and Aravind D - Lead Engineer, Infoziant System Pvt Ltd. The prayer song was rendered by Nandhini III Year IT. The welcome address was delivered by Dr.V.Vidhya, HoD In-Charge/IT. Ms. K.Nivethaa Shree, AP/IT introduced all the Chief guests for the Valedictory function. Participants were asked to give their feedback about the event. Some of the students responded that, this event gave an exposure of the real time implementation which enabled their coding skills.

Mr. Palanippan Narayan shared his thoughts that the students were well and good in designing the User Interface, and he advised the students to concentrate more on the Back end Technologies.

Mr. K.Vishnuraj appreciated that the problem statements given to the students were effectively selected from the problems of current real time scenarios. Prof. S. Muraleedharan, Chief Placement Officer, appreciated the students for their enthusiastic involvement in the event.

Students who won First, Second and Third prizes were awarded with cash prizes and merit certificates by all the chief guests and Dr.V.Vidhya, Head In-Charge, Information Technology. Mr. Palanippan Narayan and Mr.K.Vishnuraj announced the names of the students who are eligible to do the internship in their companies. All the Chief Guests were presented with a mementos and wallet amount. Mr. Palanippan Narayan requested to give his wallet amount to the students who secured fourth and fifth places. Rakesh, CSI member delivered the vote of thanks.

Outcome of the Event:

- The students were given an exposure of the real time implementation which enabled their coding skills.
- The students were well and good in designing the User Interface.
- The students were given suggestions to concentrate more on the Back end Technologies.
- Invited experts from Infoziant - MOU Signed Company and Alumnus Company.
- First Prize Winners were provided Internships from Alumnus Company - Mocero Solutions.
- Second and Third Prize Winners were provided Internships from Infoziant as a part of MOU.
