SRI VENKATESWARA COLLEGE OF ENGINEERING

DEPARTMENT OF INFORMATION TECHNOLOGY

Report

Resource Persons : Mr. N.Harikumar
Target Audience : III & II year IT
Venue : Function Hall
Date & Time : 28.03.2019, 10.00 AM

On 28th March 2019, Mr. N.Harikumar, Experienced Researcher, Ericsson India Pvt.Ltd(2017-18 Distinguished alumnus) delivered a technical talk on "Analytics in Telecommunication

The guest lecture was commenced around 10am on 28th March 2019. The prayer song was rendered by Kaaviya Baskaran, Executive Member (AIT). The annual report of AIT was delivered by Ms.Kiruthika Devi K, AIT Coordinator followed by the screening of the exclusive video of AIT.

Dr. V.Vidhya, Head-in-charge, Information Technology addressed the gathering and gave a brief glimpse into the guest lecture. The accolades of the chief guest were read out by Kaaviya Baskaran before commencing the session.

The guest lecture began with an introduction on "Traits in Analytics" which emphasised on the qualities of leadership and the customer requirements. He spoke about the hybrid trap which involves the inventions of the first electric car and its real-time applications on platforms such as Google, Amazon etc. It has the first mover advantage in any domain.

Industries such as IRobot, Neurula which were visited by the Chief Guest has been briefed upon during the Guest Lecture. The speaker also mentioned about the fire chat he engaged in with Jeff, stressing upon the quote "Be the leader you want to work for." He also stated about Amazon Alexa, Toyota Research Centre during the course of his speech. He finally concluded his talk by giving a brief summary of all the points he had made. The speaker interacted with the students during a brief Q&A session.

Honours to the office bearers of AIT were done with a brief personalised note about their contributions to AIT by V.Rajaram, AIT Coordinator. AIT office-bearers were presented individually with a certificate and memento by the Chief Guest followed by the distribution of certificates to the organizers and volunteers of various events in the National Level Technical Symposium PROTOCOL 21e.

The session came to an end with the presentation of memento to the resource person by Ms.V.Vidhya, HOD i/c /IT. Ramya Ranganathan Vice President AIT gave motivating talk towards Leadership and her feedback on AIT. Shravan Srinivasan, Executive Member, AIT delivered the vote of thanks.

Total no. of Participants: 112(students) +8 faculty

Outcome of the Program

- Students got the awareness on recent trends of Information Technology from the Industry point of view
- Students gained information about upcoming subject (Big Data Analytics-IT16703)
- To face upcoming placement interviews.
- Faculty had a research discussion with chief guest

Annual Report

Association of Information Technologists (2018-2019)

Association of Information Technologists was formed with the purpose and scope to advance professional standings among its members. AIT strives for the synchronization between academic learning and recent development in the technology and industry. AIT is actively involved in conducting Symposium, Guest Lectures, Technical Talks and Seminars.

On 5th July 2018, Mr Hemant Kumar M from Great lakes Institute of Management delivered a guest lecture on "Higher Education in India and Abroad". Students were given ideas for pursuing their studies in Abroad universities. Also, about the application process, funding options, profile building, part-time jobs etc.

On 12th September 2018, Mr Amrithanathan Narayanan Co- Founder, SAFEW Technologies delivered a seminar on "Design Approaches for an IOT based Business System". Students gained knowledge on IOT and its applications.

On 27th September 2018, Mr Raaj Principal Consultant, CYBER RAAJ delivered a guest lecture "Awareness on Cyber Security". Students gained knowledge about identity theft, cyber security issues.

On 13th October 2018, Mrs.Anuradha Nagarajan, Principal Consultant in the Data Analytics team in Infosys ,Chennai delivered a lecture on "Latest Trends, Technologies and their applications". Students gained Knowledge on Emerging technologies such as Block chain, Crypto currency and autonomous cars, Augmented Reality(AR) and Virtual Reality(VR).

On 4th January, Mr. Ashok Anand Ramakrishnan, Data Science Architect, Delivery Service Manager, IBM India Private Limited delivered a lecture on "Future Trends of Data Science". Students gained knowledge about Data Science.

On 26th March, 2019 Ms.Uthra V Analyst, E&Y delivered a lecture on Role of security in cloud computing. Students gained knowledge about cloud computing and its practical applications along with its pros and cons.

On 28th March 2019, Mr. N.Harikumar, Experienced Researcher, Ericsson India Pvt. Ltd(2017-Distinguished alumnus)delivered a technical talk on "Analytics in Telecommunication. Students gained knowledge about recent trends in Information Technology.

HARI KUMAR NAGABUSHANAM

Senior Researcher at Ericsson
Chennai Area, India

Summary

Senior Researcher with a demonstrated history of working in the information technology and telecom industry. Strong research professional skilled in SQL, Big Data, Deep Learning, Machine Learning Algorithms, Distributed Systems, and Java.

Experience

Ericsson

Senior Researcher
April 2016 - Present

Research on 5G, IoT, Drones, Agriculture, Big Data, Machine Learning and Industrial Research

Ericsson

Experienced Researcher
April 2013 - March 2016 (3 years)

Understanding and solving real-world telco challenges on big data

Ericsson

Researcher
September 2011 - March 2013 (1 year 7 months)
Chennai Area, India

Machine Learning for BIG data. No-Sql technologies like hbase, hadoop and s4

Ericsson

Senior Software Engineer
2008 - 2009 (2 years)

Use-cases on Churn, Influential consumers, etc. Created a flow-engine to do both ETL and machine-learning operations

Ericsson India Pvt. Ltd.

Dear Sir,

Subject: Invitation – Special Lecture and Valedictory Function of AIT- Association of Information Technologists (AIT) – Reg.

At the outset we would like to thank you for your graceful acceptance of our invitation for the valedictory function and for a special lecture titled “**Analytics in Telecommunication**” on March 28th 2019 for the valedictory function of AIT.

AIT engages in several activities like Workshops, Expert Lectures, Symposia and Industrial visits aimed to benefit our students. AIT also aims to provide the students an insight into the software industry and its requirements with suitable expert talks. These activities equip them to hone their technical and organizational skills.

AIT looks forward to your presence amongst our students and sharing of your valuable thoughts and advice on this topic will definitely benefit them.

We thank you once again for accepting our invitation. We eagerly await the interaction with you to enrich our students with your expertise.

Thank you.

Yours sincerely

Dr. V.Vidhya
