PROTOCOL 22E - REPORT

The Association of Information Technologists (AIT) organized a National Level Technical Symposium – Protocol 22E on 24th of September, 2019. The prayer song for the inaugural function was rendered by Ms. A Srinithi, Executive Member, AIT. This was followed by the lamp lighting ceremony and a welcome address which was delivered with enthusiasm by Mr. R M Prem Kumar, President, AIT.

Dr. V. Vidhya, Head Incharge, Department of Information Technology then presented the preamble of the department's achievements, the department report. The chief guest for the inaugural function was Mr. Raghuraman Srinivasan, Founder of EDAINFRONT SOLUTIONS, who was introduced by Ms. S. Deepika, General Secretary, AIT. Mr. Raghuram has had vast experience as a Senior Director, CTO of Integration Process Management Business Unit at Cognizant Technology Solutions. He has built a global social collaboration platform for effective knowledge management that pays and successfully implements an innovative. In 2013, he was conferred with the best innovation award by Software AG for coming up with an innovative solution for a leading insurance corporation in the UK

He then proceeded to deliver an insightful talk on the topic "Intelligence Insight", where he laid emphasis on finding solutions to complex problems through Artificial Intelligence (AI). The Chief Guest was presented with a memento by the HOD who appreciated the positive spirit of all the student coordinators and motivated them to scale greater heights. The video portraying the work that went into organizing the symposium was unveiled to the audience. The inaugural function came to an end with the vote of thanks delivered by Mr. P. Baskaran, Treasurer, AIT.

Around 150 students from various engineering colleges participated in the plethora of the technical events. The events conducted include Expecto Presentium (Paper Presentation), Project Platform 9 ¾ (Mini Project Presentation), The Chamber Of Coders (Competitive Coding), Muggle Studies (Ai Problem Solving), The "Secret Riddle" (Tech Quiz), Weasley's Wizard Wheezes (Web Designing), Duelling Club (Interviewing Event), Riddikulus Memes (Technical Meme Creation), Horcrux Hunt (Treasure Hunt), and Floo Network (Connections). The 2nd year students had eagerly participated in the Mini Project event which turned out to be an absolute cliff-hanger at the end.

The valedictory function of PROTOCOL 22E was presided over by Dr. P. Venkateswara Rao, Head of Department, Civil Engineering, SVCE, who was introduced by Ms. N. Uma, AIT – Coordinator. Haritha C, Executive Member, AIT welcomed the earnest gathering cordially. This was ensued by the summary of the symposium by Mr. Rajaram, AIT - Coordinator. Afterwards, the Chief Guest addressed the students and faculty members on the importance of environmental studies and E-Waste generation. He also encouraged the students to cultivate a research culture, and stressed on the importance of giving back to the society. He then appreciated the department faculty members and AIT members for the smooth conduct of the symposium. Winners of the various events were presented with certificates of appreciation and cash prizes. The event came to an end with the vote of thanks rendered by Ms. Nithyashree M, Vice-President, AIT who had been a pillar of support for the successful conduct of this grand event.
