A Report on 24 hours Intra-College Hackathon

The **Department of Information Technology** along with the **Association of Information Technologists** and **Training and Placement cell** conducted **24 hours Intra-College Hackathon** on the **10th and 11th of October 2019**. The event was inaugurated by **Prof. S Muraleedharan, Chief Placement Officer**. The prayer song was rendered by **Ms. A Srinithi, Executive Member, AIT**, and the welcome address were delivered by **Ms. M Nithyashree, Vice President, AIT**. **Dr. V Vidhya, Head Incharge, Information Technology**, who stressed on the importance of applying their knowledge to real-life problems and encouraged students to participate in more events to gain experience and exposure.

Prof. S Muraleedharan, Chief Placement Officer, addressed the participants and advised them to actively participate in hackathons as they help in enriching a student's existing skill set.

The hackathon problem statements were then distributed to the participants by the **Prof. S Muraleedharan, Chief Placement Officer**. The Inaugural function came to an end with the vote of thanks rendered by **Mr. V Rajaram, Assistant Professor**.

Around 22 teams (3 students per team) Hackathon from the CS and IT departments participated in the event. 12 final year volunteers and with AIT office bearers were involved in organizing this grand event. The hackathon event started at 1:00 pm (10th Oct). During 24 hours of the hackathon, four reviews were conducted to evaluate the performance of the participants on their projects. At 3.10 pm, the first review was conducted by the faculty members from the Department of Information Technology. Around 6.30 pm, the second review was done by **Dr. V Vidhya, Head In-Charge, Information Technology**. The Coordinators of the hackathon event evaluated the projects at 3.30 am (11^h Oct) and as well as in the morning session.

At the end of the hackathon session, **Mr. Manimaran, Senior Software Developer, Full Creative** evaluated the projects for all the teams.

The event came to an end with the Valedictory function presided by **Mr. Manimaran, Senior Software Developer, Full Creative, Dr. K Pitchandi, Controller of Examination**, and **Prof. S Muraleedharan, Chief Placement Officer**. The welcome address was rendered by **Ms Deepika, General Secretary, AIT**. Participants were asked to give their feedback about the event. Participants responded saying that the event gave them an chance to apply skills in a time constrained environment.

Dr. K Pitchandi, Controller of Examination shared his thoughts on the event and also advised the audience to also dive deep into the hardware component of computer science.

Mr. Manimaran, Senior Software Developer, Full Creative appreciated that the

problem statements given to the students were effectively selected from the problems of current real-time scenarios. **Prof. S Muraleedharan, Chief Placement Officer**, appreciated the students for their enthusiastic involvement in the hackathon.

Students who won First, Second and Third prizes were awarded with cash prizes and merit certificates by **Prof. S Muraleedharan, Chief Placement Officer**. **Mr. Manimaran, Senior Software Developer, Full Creative** announced the names of the students who were offered internship opportunities at companies. All the Chief Guests were presented with a mementos and a wallet amount. The valedictory function came to an end with the vote of thanks rendered by **Mr. V Rajaram, Assistant Professor**.

The Outcome of the Event:

- The students were given exposure to real-time implementation which enabled their coding skills.
- The students were well and good in designing the User Interface.
- The students were given advise to concentrate more on back end Technologies.
- Invited experts from Fully Creative:
- Derived Internships from Company for winners.
