COMPUTER SOCIETY OF INDIA-

SVCE STUDENT CHAPTER

Report
Guest Lecture

Target Audience : II, III year CSE, IT and ECE Department Students

Venue : Function Hall

Date : 06/02/2020

Time. :10.00am – 12.00pm

On 6th February, 2020, the Computer Society of India(CSI) – SVCE Student Chapter 2019-2020 organised a guest lecture for the second and third year students of CSE, IT and ECE departments.

The event was compered by Srinithi A, Executive Member, AIT. The session began with a prayer song rendered by Srinithi . It was followed by the welcome address delivered by Pooja, Executive Member, CSI Student Chapter, SVCE.

Without any further ado, the chief guest of the day, Ms. Valli from NIIT took centre stage and started right away with the guest lecture. It was on “**Data Analytics using R**”. The crux of the guest lecture was centred around making the students get a gist of what Data Analytics is about and the areas of application.

The chief guest gave a prelude on the important terms associated with Data Analytics using R such as exploratory data analysis that primarily deals with summarizing and visualising data sets. Learning about the origin of data analytics allowed students to gain a broader understanding behind the purpose of implementation.

At the end of the session, limelight was cast upon the recipients of the “Longest continuous SBC award” Dr. V. Vidhya, HOD/INT, SBC and “Highest Committed

Student Branch Activist Award” Ujwal, Executive Member, CSI Student Chapter, SVCE 2018-2019.

Thus the informative two-hour session finally came to a close with the vote of thanks being rendered by Vivek, Treasurer, CSI Student Chapter, SVCE 2019-2020.

Outcome of the Program:

- Provide an opportunity for students to gain more knowledge about Data Analytics using R.
- Allows students to gain awareness about the plethora of projects which can be done with regard to Data Analytics.
- Provide an opportunity for the students to interact with an expert and get a detailed insight and first-hand knowledge into what Data Analytics was all about and what it takes to be a Data Analyst.

Total No. of Participants: 105 students from CSE, IT and ECE departments
