Dr. V Vidya HOD-IT

REPORT

Online Webinar on CRIME FREE BHARAT

Date: 22.09.2020
Time: 5.30 pm to 7.00 pm
Resource Person: Mr. Maithili Sharan Gupta, DGP (Police Reforms), Madhya Pradesh.

Objectives:

- Provide awareness about various technologies used to reduce and report crimes and how students can transform the future of India through their innovative ideas.
- Enable students to gain wider exposure and knowledge by taking part in internships and developing projects through MoU.
- Ideas on focussing towards domains like Artificial Intelligence, Computer vision, and Cyber Security which can be used in criminal investigations.

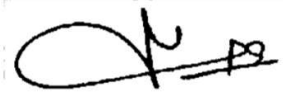
About the program:

The Computer Society of India - SVCE Student Chapter along with the Department of Information Technology conducted an online webinar on "Crime Free Bharat" on September 22nd, 2020. Dr. V. Vidhya, Student Branch Counselor of CSI and HOD/INT welcomed all the participants and delivered a short note about CSI and IT department. Dr. T. Sukumar, Associate Professor of IT rendered the introductory address about the chief guest Mr. Maithili Sharan Gupta, DGP, Police Reforms, Madhya Pradesh.

The webinar focused on the idea of developing a Crime Free India and how students can contribute towards achieving this goal with the help of technology. He gave a brief introduction about criminal laws and said that it is the responsibility of every Indian citizen to help in reporting and reducing criminal activities. He talked about the current criminal investigation systems and how it can be automated by making use of technologies such as Artificial Intelligence, Cloud resources, IoT devices, and Digital signatures. He discussed in detail about the vision of the "Crime Free Bharat" initiative and its five certainties - Certainty of reporting, Certainty of detection, Certainty of conviction, Certainty of prevention, and Certainty of rehabilitation of criminals. He encouraged students and professors to collaborate with each other and produce innovative solutions that can be patented. He even explained how revenue streams can be generated by the implementation of such projects for automated criminal investigation systems. Real-world examples and scenarios were discussed, and it was easy for the participants to understand the concepts. In the end, Mr. Gupta declared the formal MoU between SVCE and Crime Free Bharat society based on our students' project which will

Mr. V. Ranjith AP/IT

Dr. V Vidya HOD-IT



provide various internship and project opportunities for the students of SVCE. The webinar was very interactive and motivated the participants to think out of the box.

The session lasted for about two hours and was telecasted live on YouTube Crime Free Bharat channel. The webinar came to an end with Dr. V. Vidhya thanking the speaker for the informative talk and all the participants for their active participation.

The outcome of the program:

- Let us know the responsibilities as a citizen of India
- Exposure to the certainties of Crime Free Bharat
- Awareness of various technologies that can be used to improve criminal investigation
- Internships and project opportunities for students to implement real-time projects
- MoU declared based on our students' project.

Total No. of Participants:

- 30 CSI Volunteers from CS/IT/ECE dept and Faculty Members participated in the Meeting.
- 107 students from across the college registered for Internship and Project opportunities.
- 370 viewers from across the world watched the live webinar on YouTube.

Mr. V. Ranjith AP/IT
