DEPARTMENT OF INFORMATION TECHNOLOGY

Webinar on IDENTITY AND ACCESS MANAGEMENT IN CLOUD

REPORT

The department of Information Technology organized a webinar "**IDENTITY AND ACCESS MANAGEMENT IN CLOUD**" on 6th June 2020. Ms. P. Leela Rani, Assistant Professor, Department of Information Technology welcomed all the participants for the webinar on Identity and Access management in cloud. Ms. N. Devi introduced the speaker of the webinar Ms. Priyanka Madhavan, our alumni (2016 passed out) currently working as scrum master at Ericsson India Pvt Ltd., Chennai. Dr. V. Vidhya, HOD/IT gave an introductory talk emphasizing the importance of the webinar.

Ms. Priyanka started the session with basics of authorization and authentication. She explained in detail about identity and access management is cloud with real time examples. She also described the various protocols used for IAM in cloud such as SAML, OAUTH etc.. She also explained how IAM is done in amazon, google, yahoo and popular IT companies. She also played some example videos explaining the IAM concepts. She also clarified the doubts raised by the participants.

Around 74 participants both faculty and students participated in the webinar. Ms. N. Devi delivered the vote of thanks at the end of the session.
