Subject: Online Webinar Link - Session On Advanced Excel Workshop By Imarticus Learning

To: <vmsiva@svce.ac.in>

Greetings!!!

Happy to inform you that our Department organizes yet **Webinar on Advanced Excel Workshop**

DOWNLOAD => Zoom Meeting (Free Software) in your laptop or system OR Zoom Meeting app in mobile phones to attend the session.

Note: Join the session 15mins before and keep your mike in mute mode and attend the session and the LINK is mentioned below.

https://zoom.us/webinar/register/WN_clNwCsaZRkiy-ynYjIVSaQ

After registering, you will receive a confirmation email containing information about joining the webinar.

Feedback link will be shared during the session in the chat window. Once the Feedback form is submitted, the participants will be receiving their E-Certificate shortly.

Date and time for Webinar: : 12/06/2020 :11:00 AM-01:00 PM

Speaker: Alok Chauhan

Stay Home, Stay Safe.! Keep Learning.!!

ALOK CHAUHAN

SPEAKER'S PROFILE

With over a decade of noteworthy experience as an engineer,data analyst and trainer, Alok is well equipped to impart his wisdom to the next generation of budding professionals. He has an enviable prowess in customer centric analytics that enables him to influence data driven business decisions at the highest levels of management. He has overseen a multitude of professional responsibilities over the years, specializing in areas such as product engineering, business development, channel sales, data analytics and data science training. His career has seen him undertake roles for major corporations and institutions, namely Larsen & Toubro Ltd., Caterpillar Inc., and most recently, Imarticus Learning.

REPORT

WEBINAR ON ADVANCED EXCEL

Date: 12.06.2020 **Time:** 11.00 Am to 1.00 pm

Resource Person : Mr. Alok Chauhan

Designation : Data Analyst & Trainer

Objectives:

- To learn about the maintenance of large sets of Excel data in a list or table.
- To build a solid understanding of dynamic formulas IF,VLOOKUP,INDEX,MATCH functions.
- To harness the full power of Microsoft Excel by automating your day to day tasks through Macros and VBA.
- To create dynamic reports by mastering Pivot Tables.

About the programme:

The Department of Information Technology conducted an International webinar on “ADVANCED EXCEL” on 12th June 2020. Dr. V.Vidhya, HoD/INT, Faculty members of SVCE and other colleges participated in the webinar. The webinar Coordinators Ms.V.M.Sivagami, AP/INT welcomed all the participants. The introductory speech about the areas of expertise of the speaker was rendered by Ms.Kalavathy S, AP/INT. The speaker of the webinar was Dr. Alok Chauhan ,Imarticus Learning.

Excel is much more than a quick way to add up numbers. This webinar offered the opportunity to learn advanced features such as filling data formulas and functions, number formatting, data linking, conditional formatting, sorting data etc. In addition, this webinar gave insight on how to calculate data with advanced formulas, and organising data. This webinar also covered special pasting, presenting data in report format using PivotTables and PivotCharts.

Outcomes:

- Students were able to use a range of lookup and reference functions and Create and use labels and names in a workbook
- They were exposed to protect sensitive data in worksheets and workbook and use data linking to create more efficient workbooks
- They were also exposed to advanced concepts like Data Consolidation feature to combine data from several workbooks into one.
- They were also able to understand and create simple PivotTable report,Construct and operate PivotTables using some of the more advanced techniques and Create and edit a PivotChart.

Participant List:

Total Number of participants - 170

- Number of students

Internal – 105

External-35

- Number of Faculty

Internal – 20

External- 10

Coordinators

Ms. V.M.Sivagami, Associate Professor, Information Technology

Ms.S.Kalavathy, Assistant Professor, Information Technology

Ms.P.Nirmala, Assistant Professor, Information Technology
