REPORT
CODEWARS - Technical Quiz Competition

Date: 6.02.2021
Time: 11.00 am to 1.00 pm

About the program:

On the 6th of February 2021, the Computer Society of India (CSI) - SVCE Student Chapter 2020-2021 conducted an inter-college online coding competition event "Codewars" for 2nd and 3rd-year students of all the departments. A total of 249 students participated in the Coding Contest. The event was conducted online via the Hackerrank platform and took place for two hours.

The foremost objective of this contest was to provide the participants with a learning platform to prepare them for a career in coding thus making them faster in coding and more focused for their campus preparations. The event comprised of 12 questions split into easy, medium and hard based on the level of difficulty. The winners were awarded a cash prize of INR 3000 and INR 1500 for the first and second place respectively. The contest was a grand success, motivating each and every participant to improve their coding skills. The solutions were shared to all the participants in the same platform.

Mr. V. Ranjith (AP/IT), Mr. M.P. Lakshmana Kumar (AP/CSE), and Mrs. M. Vidya (AP/ECE) along with the office bearers of CSI-SVCE Student Chapter 2020-2021 under the supervision of Dr. V. Vidhya, CSI-SVCE Student Branch Counsellor coordinated the event.

Feedback was collected from the participants regarding the complexity, effectiveness, and suggestions for the betterment of the event.

Objectives:

1. Helps to improve logical and analyzing skills.
2. Prepares the learners for technical interviews.
3. Drives learners to take up challenging problems.

Total No. of Participants:

- Around 251 students from both second and third-year participated in the contest.
- No of internal participants : 206
- No of external participants

REPORT
CODEWARS - Technical Quiz Competition

Date: 6.02.2021
Time: 11.00 am to 1.00 pm

About the program:

On the 6th of February 2021, the Computer Society of India (CSI) - SVCE Student Chapter 2020-2021 conducted an inter-college online coding competition event "Codewars" for 2nd and 3rd-year students of all the departments. A total of 249 students participated in the Coding Contest. The event was conducted online via the Hackerrank platform and took place for two hours.

The foremost objective of this contest was to provide the participants with a learning platform to prepare them for a career in coding thus making them faster in coding and more focused for their campus preparations. The event comprised of 12 questions split into easy, medium and hard based on the level of difficulty. The winners were awarded a cash prize of INR 3000 and INR 1500 for the first and second place respectively. The contest was a grand success, motivating each and every participant to improve their coding skills. The solutions were shared to all the participants in the same platform.

Mr. V. Ranjith (AP/IT), Mr. M.P. Lakshmana Kumar (AP/CSE), and Mrs. M. Vidya (AP/ECE) along with the office bearers of CSI-SVCE Student Chapter 2020-2021 under the supervision of Dr. V. Vidhya, CSI-SVCE Student Branch Counsellor coordinated the event.

Feedback was collected from the participants regarding the complexity, effectiveness, and suggestions for the betterment of the event.

Objectives:

1. Helps to improve logical and analyzing skills.
2. Prepares the learners for technical interviews.
3. Drives learners to take up challenging problems.

Total No. of Participants:

- Around 251 students from both second and third-year participated in the contest.
- No of internal participants : 206
- No of external participants

Outcome:

Codewars can be challenging and may deter beginners because of the difficulty of the challenges. However, you are always going to have to solve complex problems as a developer and starting early isn't a bad idea.
