SRI VENKATESWARA COLLEGE OF ENGINEERING

DEPARTMENT OF INFORMATION TECHNOLOGY

Report

Event Details:

1. Resource Person : Ms.Soumya K,Security Analyst,
Cyber Security Works
2. Target Audience : II,III and IV year IT
3. Venue : Online
4. Date & Time : 30thOct 2021, 10.00 - 11.00 AM

Objectives:

- To make the faculty members and students understand the concepts of Cyber Security.
- To get exposure on implementing the best practices in order to be safe in doing online transactions.
- To give a real time exposure on how to check if we have been pawned and the various precautionary methods to be followed.

The Department of Information Technology organized a Guest Lecture on Cyber Security Awareness on 30thOctober 2021. Faculty and students from various Departments actively participated in this workshop and got benefited from the programme.

The day started by a warm welcome by Ms.M.Sneha, Third year, Treasurer of AIT. The introduction of Chief Guest was given by Ms.M Deekshitha, General Secretary of AIT. A short note on the event was presented by Dr.V.Vidhya, HoD, InformationTechnology.

The Chief Guest Ms.Sowmya, started the lecture by explaining about Information security and the importance of it. She also briefed about the general security practices that one must take care of in order to avoid security breaches. She showed live demo about the threats posed by attackers online to potential users.

The speaker suggested websites to check if one's mail Id has been a part of breach. She emphasized on the importance of protecting the data from hackers. She also suggested the audience not to use their college or work mail Ids for performing online transactions.

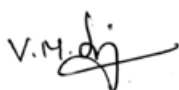

The speaker suggested a variety of different ways that one could use to identify phishing/spam emails and thus avoid contacting those or blocking those. Emails raising suspicion should be avoided. Clicking on unauthorized links sent by unauthorized emails should not be visited. She showed the possible ways in which attackers approach their targets by impersonation, by offering refund services or free services with a limited period offer, etc.

The speaker finished the lecture by talking about the future scope of this field and the possible work profiles that students can have in this domain. Many participants, including students and faculties, actively participated in the doubts session. The participants got benefited from it.

The Vote of Thanks was presented by Mr.Sanjiv.TS, Executive Member of AIT. The links for submitting the feedback online was shared for collecting the students and faculty feedbacks.

Outcomes:

- Exposed to the basic understanding of the topic Cyber Security.
- Demonstrated the importance of cyber security to students and faculty and illustrated the ways in which it can be implemented.
- Motivated students to know the different job prospective in the field and guided them to learn about the field.
- Created awareness among faculty members and students on how to be cautious in doing financial transactions through online
- Illustrated preventive methods and Security tools available in the market.
