About Department

The Department of Applied Mathematics was established in the year 1985. We have around 15 highly qualified and motivated faculty that includes 14 Ph. D qualified faculty and 1 pursuing Ph.D. The department has a recognized research center by Anna University. As of date 33 research Scholars and 6 research supervisors are in the department. The members of the faculty are expertise in computational Fluid Dynamics, Graph Theory, Fuzzy Theory, and Stochastic Processes. Faculty regularly attend seminars and workshops, conferences, and FDPs for efficient classroom management. The core objectives of the department are to impart students with logical thinking analytical reasoning and problems solving skills, to equip them with technological skills and scientific computing techniques based on mathematical methods.

About Event

**Round 1:
Prelims**

**Round 2:
Connexions**

**Round 3:
Mathematical
premier league**

***Number of participants
in each team - 3***

***Questions will be based on
Mathematics subject only***

***DEPARTMENT OF APPLIED MATHEMATICS, SVCE
CORDIALLY INVITES YOU ALL***

CO SPONSOR
PH: 0431 4041034

***The certificate will be
awarded to each
participant.***

REPORT ON QUIZ FEST BY MATHEMATICS FORUM ON 22 DECEMBER 2021

Date: 22/12/2021

Time: 9.00AM to 3.15pm

Objectives :

The primary objective of the event “Quiz Fest” is to make the young minds to understand the significance and importance of Mathematics.

About the programme .:

Intercollege “**Quiz Fest**” was organized on birth anniversary of the great Mathematician **Srinivasa Ramanujan**, celebrated as National Mathematics Day on 22 December 2021 at Sri Venkateswara College of Engineering, Sriperumbudur. There were 41 teams with three members in each participated with great enthusiasm. The second prize and certificates were co-sponsored by Vedha Milk Products, Trichy. The following rounds were undergone by the teams:

- **First round:** Prelims

A written test was conducted and from that 20 teams had been selected for the next level.

- **Second round:** Connexions

At the end of the round the top 10 teams were forwarded to the third round.

- **Third round:** Mathematical premier league (MPL)

Two rounds were conducted under MPL. At the end of the first round 6 teams were selected and in the second round of MPL the top 3 were announced as winners.

The entire event was organized by the following faculty members of Department of Applied Mathematics

Convenor: Dr. R.Muthucumaraswamy, Prof., HOD, and Dean (R)

Organizers: Dr. K.Vijayalakshmi, Asst. Prof.

Dr. R.Umadevi, Asst. Prof.

Coordinators: Faculty members of Applied Mathematics

Photos

Volunteers: 35 students from IT (A&B), II year

Benefits:

The students are benefitted and enhancing learning skills like event conducting, planning and implementation with in the stipulated period. The participants were very happy and gave the positive feedback about the programme. The top three winners from SVCE were awarded with cash prize of Rs.3000, Rs.2100 and Rs.1500 respectively. The same listed given below.

List of winners:

Name of the Students	Position	Amount
Mr T Lokesh Mr K Karthik Mr Kolla Mohan Rao	First	Rs. 3000/-
Mr B Nithish Kumar Mr S Arvind Mr G Tharun Balaji.	Second	Rs.2100/-
Mr S Jai Ganesh Mr R Eashwar Ms S Harrshithaa	Third	Rs. 1500/-
