SRI VENKATESWARA
COLLEGE OF ENGINEERING

An Event Organised

by

IEEE

Student Branch - SVCE

CIRCUITRIX 19

EVENT :

Round 1

Pen and paper test
& a technical verbal
test.Teams qualifying
both will be promoted to
final round

Final Round :

Its a problem based circuit
analysis round.Qualified teams
must be able to understand
the given problem and design
circuit using given components.
Time and efficient circuit
design will be considered.

Eligibility :

All students pursuing

B.E. in an

AICTE - affliated college.

RULES ;

Teams must have 2 members only.

Only the teams qualifying first round will

be allowed to participate in final round.

CASH PRIZES
WORTH ₹ 5000

TO REGISTER

Registration :

₹250(per team) for IEEE members

₹300(per team) for other students

CONTACT : Kishore : 9840701905

Date: 13.02.2019

The IEEE student branch – SVCE, Sriperumbudur organized a circuit based design competition on 13.02.19 in the college campus. The competition had three rounds of written test, technical debate and a half-day hack-a-thon. 72 teams (2 members per team) took part in the event. The event was attended by students from other institutions like St.Joseph's College of Engineering, RIT etc..
