SRI VENKATESWARA COLLEGE OF ENGINEERING

REPORT ON TECHNICAL SYMPOSIUM - PULSE 2019

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

A college Level Technical symposium was conducted for the department of Electrical and Electronics and Engineering on 23rd September 2019. The symposium was titled as "PULSE'18".

The inaugural function was held at the Engineering Graphics hall from 9:00am till 10.15am. The invocation began and was enlightened with a special prayer. A welcome address was delivered by Dr. K.R.Santha, Vice Principal, SVCE and HOD/EEE who was the pillar of support for the symposium. The inaugural address was delivered by our chief guest **Dr. Vaidehi Vijayakumar, senior professor & Dean VIT, Chennai**, who made our event memorable and guided students about the on-going trend and kindled the minds of students with knowledge and power. The innovations, creativity and ability of students were driven out by the positive thoughts of the speakers. The Inauguration came to an end with a vote of thanks which was delivered by Mr. C. Kamal.

Students across various reputed colleges from India presented papers about the latest technology inventions and were promising seeds for the future electronics. Innovating minds and speaking potentiality was brought out by students and benefited other individuals to gain knowledge. Events were conducted in the afternoon session which brought sparkling minds of students and interactions. Technical events were conducted and students were knocking their brains with mutual interactions. The names of the evens were paper presentation, Innovatrix, Trail blazer, Techno coaster, Electomaze and the electrifying geek .

NAME OF THE PARTICIPATING COLLEGES:
St.Joseph college of Engineering
Sri Sai Ram Engineering College
Meenakshi College of Engineering
Panimalar College of Engineering
KCG college of Technology
R.M.K College of Engineering
Valliammai Engineering College
M.N.M Jain Engineering College
Rajalakshmi College of Engineering
Sri Krishna College of Engineering
Jeppiar SRR Engineering College
S.A.Engineering college
Eshwari Engineering College
Karpaga Vinayaga College of Engineering

Thus, the symposium ended with a valedictory address and Prize Distribution by the head of the department.

PULSE 2K19

PULSE 9
A NATIONAL LEVEL TECHNICAL SYMPOSIUM

8+ EVENTS

A ONE DAY FEST · 23 SEP 2019

STAGE IS SET
Fuel your brain with ideas that has never been out in our planet earth, to improve the lives around us. The stage has been set to listen to you words.

PROJECT DISPLAY
Oppurtunity to showcase your knowledge and skills in the pulse 2k19. A place to learn and win with fun and creativity . Display your talent and creativity in the creatrix.

ATTENTION AUDIENCE
The main function of a poster is to capture a moving audience with a message. You will have a short amount of time to attract and hold your readers attention.

PAPER PRESENTATION

CONTROL-IT

CREATRIX

POSTER DESIGNING

CIRCUITZZZ

CONTROL MEASURES
Controlling is the measurement and correction of performance in order to make sure that enterprise objectives and the plans devised to attain them are accomplished.

BUGS OF CIRCUIT
Ever been bugged lately and tried to solve it ?? here is your chance to do so ! Crack your technical brain to unravel the mystery behind the bugs of the circuit.

LINE FOLLOWER
A line follower automated - guided vehicle, which follows a visual line and it will be a black line on a white surface. The robot which reaches the stop point in the least time will win the competition.

A MAZE TO AMAZE

AND MUCH MORE...
