Dear Sir,

Greetings from RGNIYD.

I am pleased to inform you that the Department of Social Engineering at the Rajiv Gandhi National Institute of Youth Development (RGNIYD), Government of India is offering a two years Master Degree in Social Innovation and Entrepreneurship. As part the programme, every student needs to undergo field work in each semester. During the present semester, students will be attending their practicum on every Tuesday for 15 weeks.

As per the requirement of the programme, the students are to be placed in an Incubator/Entrepreneurship Development Cell (EDC). In this connection, we want to place two of our students to work with your esteemed college. If your institution has already established Incubator or EDC, our students will work to strengthen the same, if not, they will work on establishing the Incubator/Entrepreneurship Development Cell (EDC) in your college. In this process, the students will contribute their efforts and enhance their skill sets.

It is in this connection, I request you to permit two of our **4th** semester students (**Mr.Akho Phira and Ms.Chivevolu**) to do their field work in your esteemed institution i.e **SVCE**. They will start their field work from **26th February, 2019**.

Awaiting your positive response in this regard. An email confirmation from your side is appreciated.

Thanking you. Yours faithfully

--  
regards,  
Ganesh Vaidyanathan S

Dear Sir,

Thank you for permitting our students to do their field work in your incubator. There will be three students from our Department attending the field work from tomorrow onwards. Along with the letter, the students will come with overall requirement and objectives of the field work.

I am also copying to you for your information.
