Respected Sir,
Kindly forward this mail to SVCE faculty members.

Dear All,

The Department of Automobile Engineering in association with Alumni Association of SVCE is organizing a guest lecture on 27th January 2020, 10.30 AM at video hall SVCE.

We cordially invite you for the same. the invitation is attached for your reference.

With Regards
Ravi G
Assistant Professor
Department of Automobile Engineering
SVCE

SRI VENKATESWARA COLLEGE OF ENGINEERING (SVCE)

PENNALUR, SRIPERUMBUDUR-602117

Department Of Automobile Engineering

Guest Lecture Report

Date: 27/01/2020

Time: 10.30 a.m. -12.00 p.m.

Guest Name : Mr. C. R. Anand, Automotive Exterior Designer XPENG Motors, China.

Topic: Design on Automotive Styling

Objectives:

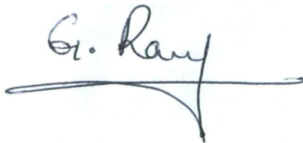

The program is to give an in-depth knowledge for students on automotive vehicle body exterior design.

About the programme:

The Head of the department inaugurated the talk and around 100 students from the second, third years of Automobile Engineering students have participated in the guest lecture. The talk was given by an expert Mr. C. R. Anand working as Automotive Exterior Designer in XPENG Motors, China. The program is mainly intended to know the recent technologies used in the industry to draw a vehicle exterior body design and the methodologies for designing the body. The lecture gained more knowledge of the software used by various companies for sketching a vehicle. The guest explained more on rough sketching and how to convert the same by using software to prototype the model. Various steps followed in the R& D sector to approve a design. The guest added the software like ZBrush, Bunkspeed, HDR Light Studio, Autodesk Showcase. Auto desk software that offers architects, designers, engineers, and managers the ability to quickly and easily transform digital prototypes or architectural designs into compelling imagery, movies, and real-time presentations.

In automotive styling, creativity, productivity, and the ability to rapidly iterate different design concepts are critical for success. Automotive designers and engineers must work collaboratively to ensure that the aesthetic and functional traits, as well as the manufactural of interior and exterior surfaces, are achieved early in the life cycle, and all of this must be achieved at the lowest possible cost.

During the Questioner session lot of questions were asked by the students and the same was answered by the guest. Finally the Lecture was completed at 12.00 p.m.

A handwritten signature in black ink that reads "G. Ray". The signature is written in a cursive style with a long horizontal stroke extending to the right from the bottom of the "y".

Coordinator

A handwritten signature in blue ink. The signature is highly stylized and cursive, appearing to start with a large "J" or "G" followed by several loops and ending with a horizontal stroke.

DEPARTMENT OF AUTOMOBILE ENGINEERING

in association with

ALUMNI ASSOCIATION OF SVCE

solicit your esteemed presence for the

Technical Talk

on

Design on Automotive Styling

by

Mr. C. R. Anand B.E., M. Des.

Automotive Exterior Designer

XPENG Motors, China

Venue	: Video Hall
Date	: 27th JAN 2020
Time	: 10:30 AM to 12:00 PM

ALL ARE CORDIALLY INVITED

Agenda

- 10.30 to 10.35 AM - Prayer Song
- 10.35 to 10.40 AM - Introduction of Chief Guest
- 10.40 to 11.40AM - Expert Lecture
- 11.40 to 11.50 AM - Interactive Session
- 11.50 to 11.55 AM - Vote of Thanks
- 11.55 AM to 12.00 PM - National Anthem

Attendance of II year students

Sri Venkateswara College of Engineering

(An Autonomous Institution, Affiliated to Anna University, Chennai)

Sriperumbudur TK, Kancheepuram District, Tamilnadu, India - 602117
